

NEW for 2014

Contact IPICS The Supply Chain Management Institute for details of our new Certified Production & Inventory Management (CPIM) program

The CPIM program from the American Production and Inventory Control Society (APICS) consists of five separate modules, and is the leading Certification Course in Supply Chain and Operations Management for those wishing to gain an Internationally recognized qualification.

Achieving the APICS CPIM designation, will significantly develop your understanding of Supply Chain Management and enhance your career options.

The five modules of the CPIM are:

- ✓ Basics of Supply Chain Management (BSCM)
- ✓ Master Planning of Resources (MPR)
- ✓ Detailed Scheduling and Planning (DSP)
- ✓ Execution and Control of Operations (ECO)
- ✓ Strategic Management of Resources (SMR)

Starting in Dublin in February, all courses will be led by APICS registered Instructors.

The first module in the series, the Basics of Supply Chain Management (BSCM) Course includes:

- ✓ Four full days tuition by an officially recognised APICS Instructor on Saturdays in Dublin
- ✓ Official APICS CPIM participant Workbook
- ✓ APICS Study Notes
- ✓ APICS Dictionary for BSCM
- ✓ Package of additional test questions similar to the actual APICS exam questions
- ✓ Cost is €750 for IPICS members and €840 for non-members.
- ✓ The remaining modules will be available in September at a cost of €700 for IPICS members and €790 for non-members.
