

NEW CSCP Course for 2014

Contact IPICS SCM Institute for details of our new APICS Certified Supply Chain Professional program.

The Certified Supply Chain Professional program has been designed by APICS to provide the skills necessary to understand and manage increasingly complex Supply Chain Networks from a practitioner's perspective.

Building on your experience and previous SCM qualifications, achieving the APICS CSCP designation, will enhance and consolidate your supply chain management knowledge and expertise and provide you with an internationally recognised certification.

The CSCP program is structured in three modules examined in one 4 hour exam.

1. Fundamentals of Supply Chain Management
2. Supply Chain Strategy, Design and Compliance
3. Implementation and Operations

Course Materials includes:

- ✓ the APICS CSCP E-Learning System manuals
- ✓ the APICS CSCP E-Learning System on-line software
- ✓ additional practice questions
- ✓ five full days of instruction

Note: You must have pre-approval from APICS to register for the APICS CSCP exam.

The Certified Supply Chain Professional Course will be run all day on the following Saturdays at the Red Cow Hotel, Dublin:

20th and 27th September, 4th October, 1st and 15th November 2014

The IPICS SCM Certified Supply Chain Professional (CSCP) Course provides:

- ✓ Five full days tuition led by APICS registered Instructors on Saturdays
- ✓ Official APICS CSCP e-Learning system
- ✓ Package of additional test questions similar to the actual APICS exam questions
- ✓ Cost will be €1750 for IPICS members and €1840 for non-members.
