Please keep this in mind if your child invites a friend to such an event – they must have something signed to show parental consent to join with us off campus.

## Medical & Liability Release

In the event of sickness or some medical emergency, I request that my child receive any medical attention or treatment deemed necessary, therefore I give permission to any hospital, doctor, or health care provider to transport, treat and/or admit for care my child. In the event that I'm not present at the time of the emergency or cannot be contacted, my care has been entrusted to the staff and designated ministry leadership of Nicola Valley Evangelical Free Church.

I agree to come transport my child home if they disqualify themselves from any event. Disqualification may occur if my child commits any major violation such as possession/use of tobacco, alcohol, or illegal substances, or unwillingness to obey the youth leader in charge. The youth leader in charge will determine if disqualification is necessary.

=====

In addition, each of our youth groups (EPIC - gr. 5-7 and 3:16 - gr 8-12) has one or two major outings this year. If you would like to grant permission for your child to attend these outings as well, please sign on the space next to the event mentioned below that applies.

For each retreat there will be an early-bird cost available of \$85. Additionally, if the cost of the event would be the only factor preventing your child from attending, please talk to Pastor Dan. We consistently have folks from the congregation offering to pay for young people who aren't able to afford these events.
