

Dear Sir or Madam,

In Austria international applicants have to submit confirmation from an accredited university in their home country that s/he fulfills the subject specific requirements of the intended study programme and can therefore register for the intended semester/ academic year at that university (Legal basis: University Act 2002).

Please fill in the following confirmation form clearly:

Note:

-Study programme/ field of study: it is not acceptable to state only the faculty or institute. The study programme/ field of study must be stated as offered at your university.

-Extramural/ irregular student status: it will be also confirmed that students with this status have the same rights to finish their studies as regular students.

We hereby confirm that _____ , born on		
(First name and Last name of student/ applicant)		
_____, fulfills the subject-specific requirements for the registration in the		
Bachelor <input type="checkbox"/>	Master <input type="checkbox"/>	Doctorate <input type="checkbox"/>
in the study programme/ field of study: _____		
at _____		
(Name of University and Faculty)		
in the academic year 2014/15 or winter semester 2014/15 as a/n		
regular <input type="checkbox"/>	/ extramural <input type="checkbox"/>	/ irregular <input type="checkbox"/> student.
The general duration of this study programme is _____ semesters/ years and consists		
of _____ ECTS.		
_____	_____	_____
(Date)	(Stamp of the University)	(Signature of University representative)

Contact details of the University (Please fill in using block capitals!):

Name of signatory:	
University address:	
Email:	
Phone:
