SELECTION OF THE ARBITRATOR: The arbitrator shall be jointly selected by the Union and the City.

If, within five (5) days after a request for arbitration is made, the Union and City fail to agree upon the appointment of an arbitrator, a request will be made to the American Arbitration Association or the Federal Mediation and Conciliation Service for a list of five (5) arbitrators. The Union and City may select one of the list of arbitrators or if they still cannot agree, the following procedure shall be followed.

The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the applicable laws or rules and regulations having the force and effect of law. Timely advance requests for such witnesses shall be made in writing to the Director of Human Resources and such witnesses shall be required to attend unless the arbitrator determines the request is untimely or unreasonable. However, employees may not use seniority to require other employees to reschedule vacation time previously scheduled and approved. Vacation time scheduled can be swapped or rearranged provided requested in advance and approved by the Survey Manager. Approval will not be unreasonably withheld.

ARTICLE 11 SICK LEAVE

Upon completion of sixty (60) calendar days of consecutive service after initial

employment, all permanent full-time employees shall be eligible to receive pay while absent from work due to sickness to be charged against accumulated Sick Leave time.

Accumulation of sick leave begins from the first day of employment at the following rates:

- 1) One (1) day for each month of service during the first five (5) years of service.
- 2) One and one-half (1½) days for each month of service during the sixth (6th) through the ninth (9th) year of service.
- 3) Two (2) days for each month of service during the tenth (10th) through the fourteenth (14th) year of service.
- 4) Two and one-half (2½) days for each month of service during the fifteenth (15th) year and thereafter.

Sick leave will not accumulate while an employee is absent on sick leave fifteen (15) days or longer, unauthorized absence or during other leaves of absence, except military leave. Pay for holidays that occur while an employee is on sick leave shall be charged as holiday pay thereby saving the employee a paid sick day.

Section 1. An employee who becomes ill while on vacation and whose illness is substantiated by a doctor's statement, may upon release by the employee's attending physician, have that portion of vacation which was interrupted by illness rescheduled. It shall be the employee's responsibility to report said illness to his Supervisor at the earliest possible date and present his doctor's statement to his Supervisor upon return to work.

Section 2. It is the responsibility of the employee to notify the immediate supervisor prior to the time to report for work if the employee will be absent due to illness. Such notice is required each day of absence unless and until a statement from the employee's physician has been furnished which documents the necessity for and period of the absence.

An employee absent three (3) consecutive days, in whole or in part, is required to submit a signed and dated statement from the employee's physician. For sick pay purposes, the physician's statement must cover all time starting with the third day on which the employee misses any work due to the illness. Employees who see a physician due to illness or injury will be permitted to return to work only in accordance with the written instructions of the physician and are required to report back to work as soon as the doctor permits it.

When sick leave is requested, time will be posted up to a maximum of five (5) days provided a physician's statement is submitted. For pay purposes, a physician's statement must cover all time starting with the third (3rd) consecutive work day of absence. However, if such illness exceeds five (5) working days, the physician's statement covering the illness must be received for continuation of sick leave pay.

Section 3. When an employee enters a hospital and notifies the City of such hospitalization and requests to utilize his sick days, providing he has adequate sick leave accumulated to cover such hospitalization, the City shall, upon notification and request, place him on sick leave status. The employee is required to submit a physician's statement verifying such hospitalization upon his release from the hospital, or not later than ten (10) days from his date of release. The physician's statement is to reflect the expected date on which the employee can return to his job duties.

Section 4. Permanent City employees shall be entitled to Sick Leave benefits for illness resulting from the employee's pregnancy. The employee shall be required to notify her supervisor of such illness as outlined in the notification section of this Article. Such notification shall be substantiated by a physician's statement specifying the approximate date of birth.

The employee who exhausts all sick leave benefits must request, in writing, a leave of absence for maternity as outlined in the Article entitled Leaves of Absence.

Section 5. Proven cases of abuse of the sick leave provisions may result in the

employee's claim being denied and appropriate disciplinary measures may be taken for just cause. Proven cases of abuse may require an employee to submit a physician's statement for a single day absence, such requirements not to exceed three (3) months.

Section 6. Employees who retire effective on or after July 1, 2002 shall be compensated in cash for up to seventy-five (75) days of accumulated unused sick leave upon retirement.

The amount of payment for unused sick leave is to be calculated at the employee's rate of pay in effect on the payday immediately preceding the employee's retirement. Such payment shall not be counted as compensation for retirement.

Section 7. After completion of sixty (60) days of continuous service, an employee who works three (3) consecutive months without sick leave, or any unauthorized absence, will be eligible for one (1) bonus day leave with pay to be taken within twelve (12) months from the date it is earned. Bonus days will be earned in a like manner for subsequent three (3) month periods so that an employee may earn up to four bonus days a year. For bonus day purposes, a three (3) month period will be considered interrupted by the accumulation of six (6) hours absence from work.

ARTICLE 12 EMPLOYEE ASSISTANCE PROGRAM

The parties agree to encourage employees to utilize the services of the City provided employee assistance program. If an employee is utilizing the services of this program and in-patient treatment is required, the employee will be entitled to use any accumulated vacation time and sick days. Nothing in this provision limits other forms of leave otherwise available. It is recognized by the parties that utilization of the program does not bar appropriate disciplinary action being taken for work related violations, and that employees who use the program for drug and/or alcohol problems are subject to all City policies that deal with these matters.

The City and the Union believe that constructive measures can be utilized to deal with alcohol and drug abuse problems. Toward this end the City and the Union agree that during the first year of this agreement, representatives of the employee assistance program will meet with Union officials to inform them of program services, objectives and benefits and generally to educate those in attendance about the program.

The City will take every measure necessary to assure employees are referred to counselors or others who are within the employee's health care network.

ARTICLE 13 LEAVES OF ABSENCE

Leaves of Absence without pay may be granted to permanent employees for the following reasons:

Section 1. Military. Military leave is prescribed by federal and state statutes. All matters relating to Seniority, Vacation, Sick Leave, Pension, and Insurance are governed in accordance therewith. Strict compliance with the law is required.

Requests for additional leave shall be considered on a case by case basis.

By mutual agreement, short term leave of absence, not to exceed five (5) days may be granted for more than twenty-five (25) employees.

Section 6. Maternity. Regular, full-time City employees shall be entitled to maternity leave of absence without pay as follows: The employee must notify her supervisor no later than three (3) months prior to commencement of the leave of absence or as provided for in the Family Medical Leave Act. Such notification shall include a written statement from her physician specifying the approximate date of birth. Maternity leave shall begin on the date advised by the doctor and shall not extend beyond four (4) months from the date it began. An extension of up to two (2) months may be granted upon recommendation of the employee's physician. The employee shall be reinstated and returned to her job classification and work location upon returning to work at the conclusion of the approved leave period.

Leaves of Absence with pay may be granted to permanent employees for the following reasons:

Section 7. Summer Training. Reservists and National Guard members being called for the customary two (2) week tour of duty shall be excused on presentation of their orders and shall receive eight (8) hours pay at the regular rate of pay each working day served. Time absent from employment may be counted as vacation time if the employee so desires.

Section 8. Jury and Witness Duty. Regular, full-time and probationary employees shall be granted a leave of absence with pay any time they are required to report for Jury Duty or witness service. Proof of jury service shall be established by

submitting a statement from the Jury Commissioner or Clerk of the Court showing the time served.

An employee shall be paid for time lost from scheduled work when legally subpoenaed as a witness to testify in court cases when the employee is neither the plaintiff nor the defendant. Employees shall also be paid for the time lost from scheduled work as a witness for the City or when sued as an agent of the City.

The employee must report for work when the jury is not in session or within a reasonable time if the jury service lasts less than four (4) hours of a day.

ARTICLE 14 DEATH IN FAMILY

In the event of a death in the employee's immediate family, full wages will be paid for scheduled days of work from which the employee is necessarily absent because of the death, but not beyond a maximum of three (3) days. Immediate family includes husband, wife, father, mother, brother, sister, son, daughter, mother-in-law, father-in-law, grandmother, grandfather, grandchildren, great-grandparents, grandparents-in-law, brother- or sister-in-law, son- or daughter-in-law, step-parents and properly established foster parents (employee would have to have lived in the household), and legally established foster child currently residing in the employee's home.

Additional time off may be granted as leave without pay, or as paid vacation.

The provisions of this article are subject to the employee submitting verification to his immediate Supervisor of such death in the immediate family and employee's relationship to the deceased. Such verification must be submitted immediately or no later than ten (10) calendar days after the employee returns to work pursuant to the provisions of this article. Such verification shall be in the form of a copy of the death certificate, program of eulogy, statement from funeral home, newspaper death notice, or other proof. Failure to provide the required verification within ten (10) calendar days

after returning to work shall result in the employee being docked for time taken in connection for death in family until such verification is submitted. However, approval for payment provided in this article shall not be unreasonably withheld.

When a death in the immediate family necessarily interrupts an employee's vacation, that portion of the employee's vacation, to a maximum of three (3) days, shall be rescheduled or extended pursuant to the provisions of this Article and Article 10 - Vacations. When such a death in the immediate family interrupts an employee's vacation and results in the employee necessarily being absent beyond his scheduled vacation, the employee must notify his supervisor prior to the expiration of this scheduled vacation.

ARTICLE 15 DEATH OF AN EMPLOYEE

In the event of the death of a regular permanent employee while employed by the City of Memphis, all accumulated sick days up to seventy-five (75) days, all accrued wages due including allowances for unpaid holidays and vacation time, in addition to ten thousand dollars (\$10,000.00) free life insurance, are to be paid to the person entitled thereto as designated by the employee, or by law. In addition, the person entitled as designated by law will receive an amount equivalent to the employee's regular wages for one (1) month after all legally required deductions.

ARTICLE 16 SENIORITY

Section 1. Seniority shall be granted to all employees. Seniority shall be determined on the basis of actual length of continuous service from the latest date of regular, full-time employment with the City.

All new employees shall be considered probationary for one hundred and eighty (180) calendar days from their last date of hire. During such probationary period,

employees may be discharged without constituting a breach of this Memorandum, except as provided in the non-discrimination clause. At the end of the employee's probationary period, the employee shall be placed on the seniority list, as of the first day of last employment.

The probationary period may be extended when recommended by the Division Director and approved by the Director of Human Resources and agreed to by the Union.

Section 2. An employee shall be terminated and dropped from payroll and lose seniority for the reasons listed below:

1. Quits job.
2. Is absent for three (3) consecutive work days, or in the event the employee is detained by a law enforcement agency for five (5) consecutive work days, unless proper notification with reasonably satisfactory reason is given to his immediate supervisor.
3. Does not report to work for three (3) consecutive work days or in the event the employee is detained by a law enforcement agency, for five (5) consecutive work days after the expiration of a Vacation, or authorized leave of absence unless proper notification with a satisfactory reason is given to his immediate Supervisor.
4. Fails to notify the City, within ten (10) working days of the date a recall letter is mailed, stating whether or not the employee intends to report for work after a lay-off. A copy of the recall letter will be sent to the Union office.
5. Is discharged for just cause.
6. Is laid off for two (2) years.

Section 3. Lay-off. Lay-off shall begin with those employees having the least seniority. Employees shall be recalled according to seniority in the inverse order of lay-off.

In case of reduction of the force or elimination of a position, lay-off will be made

by first laying off probationary employees in a classification. Further reductions will be made by laying off the least senior employees in the affected classification. Such employees may bump employees with less seniority in lower classifications, as listed in this agreement, provided the employees are qualified to perform the work involved, and shall be paid the rate of the classification to which he bumps.

Whenever a vacancy occurs in any of the classifications listed herein and when City employees are to be laid off, or are on lay-off, the City will give first preference to employ or recall laid off employees who can perform the work involved.

The City will make every reasonable effort to secure employment both within City government or within other local government agencies for any laid off employees.

Section 4. The employer may make temporary transfers or assignments or reassign employees to positions covered by this Agreement other than those they normally perform in order to meet the requirements of the operation of the Service Center.

If the transfer or assignment is to a higher paid classification, the highest senior qualified available employee at a work location must be given first choice for the position. If such temporary vacancy continues for the next day or more, it will be filled by the highest senior qualified employee at the reporting location.

If the transfer or assignment is to an undesirable position, such assignment will be rotated among employees in inverse order of seniority at the work location.

Any employee temporarily transferred, assigned or reassigned, shall be paid either at his rate of pay or at the rate of pay for the classification he replaces, whichever is highest, from the first hour worked.

Temporary transfers shall be for a period of no longer than thirty (30) working days.

Section 5. Notices of all vacancies will be posted for all personnel on employee bulletin boards, and copies of said vacancies will be sent to the Union Office within

three (3) days following the decision to fill the vacancy. Employees may make application within ten (10) days at the Survey Service Center Office or the City's Employment Service Center. Bid notices will be posted as near as possible to the date typed on said notice, and remain posted for a ten (10) day period. The City will make every effort to fill the vacancy within five (5) days after the ten (10) day application period.

Section 6. When advancement opportunities occur or when the permanent filling of any vacancy is made it shall be on the basis of the senior qualified employee. Qualifications shall include consideration of abilities, experience, training and other factors relevant to the vacant position. Preference shall be given first to employees in the same classifications.

Section 7. The agreed-to seniority list shall be provided by the employer on request but not more often than monthly. Personnel records shall be available during working hours to the employee and/or his designated Union representative. Authorization for a Union representative to see an employee's personnel file without the presence of the employee shall be made in writing by the employee, specifying the information desired.

Section 8. Bidding down for positions can only be done when there is a vacancy.

Section 9. The Officers and Stewards designated in writing, by the Union, shall have super seniority in their respective areas during their tenure in office, but only in matters affecting their retention as employees.

ARTICLE 17 HOURS OF WORK

Section 1. Eight (8) consecutive hours of work within a twenty-four (24) hour period shall constitute a normal work shift and a normal schedule of work for full-time

employees shall be forty (40) hours per week. It is understood the City has the option of implementing ten (10) hour work shifts. It is further understood that before the City implements ten (10) hour work shifts, at least 30 days prior to such implementation, the City shall so notify the Union and shall discuss such implementation with the Union.

An employee's daily reporting time or work schedule may permanently be changed when notice of such change is posted two (2) weeks in advance. Such schedule changes shall be made in accordance with applicable seniority provisions.

All employees shall be granted a thirty (30) minute paid meal period during each work shift and two (2) fifteen (15) minute paid rest periods during each shift. The rest period shall be scheduled during each one-half ($\frac{1}{2}$) shift. The rest period is intended to be a recess to be preceded and followed by a work period. Consequently it may not be used to allow late arrival or early departure or to extend the lunch period.

ARTICLE 18 REPORTING, CALL BACK AND STANDBY-PAY

Section 1. Reporting Pay. An employee who reports for work at his regularly assigned time and who has not been notified in advance not to report shall be paid a minimum of four (4) hours of pay.

Section 2. Call Back Pay. Any employee or employees who are called back to report to work prior to their regularly scheduled time or any employee who completes his regular shift and is called back will be guaranteed a minimum of four (4) hours pay. No employee will be required to work more than sixteen (16) hours in a twenty-four (24) hour period.

Section 3. Standby Pay. Any employee required to stand-by at home or any designated area other than his reporting location shall be compensated one (1) hour pay for each one (1) hour he is required to stand-by. Employees required to stand-by must have written authorization of the Supervisor. This provision shall not apply if the

employee is provided a beeper or cell phone and is free to use the stand-by time for personal activities.

Section 4. Inclement Weather. Employees shall not be required to work outside during severely inclement weather except in cases of emergency, which is understood to mean those cases that could not be foreseen or postponed. The decision regarding whether the conditions of this section have been met will be made by the manager in consultation with on site supervisors. Inclement weather includes but is not limited to the following conditions: snow, ice, rain, thunderstorms, tornadoes, or temperatures of fifteen (15) degrees Fahrenheit and under. An employee who reports to work at his assigned time and who has not been notified in advance not to report, or is notified not to report to work, shall be paid a minimum of four (4) hours straight time pay. If the manager decided that the conditions of this section have been met, the affected employees will return to the survey office. Upon their return, the manager will offer work to those employees who wish to stay. If an employee does not wish to remain and perform work, then the employee is dismissed for the remainder of the day. The remaining hours (up to a total of four (4) hours) will be designated as vacation, bonus, or unpaid time, as the employee has the vacation or bonus time available. In the event that the manager determined that the inclement weather conditions have cleared, employees who elected to stay under the terms of this section shall return to their assigned locations for the remainder of the work day. In no event shall this return to work be construed or interpreted as a call back situation subject to the terms of Sections 3 of this Article. When emergency work is required, the survey service center shall provide suitable equipment for the employees' protection. When an employee reports to work and works in snow or ice conditions, he shall be paid \$.25 cent per hour for each hour worked in addition to the established rate of pay. Snow and ice conditions shall be determined by the days the City of Memphis School system is closed or when the Memphis International Airport is closed.

ARTICLE 19
HEALTH, SAFETY AND SANITARY CONDITIONS

The employer will maintain adequate safety and sanitary conditions at all times. In order to correct, maintain and improve effective safety and sanitary conditions, a joint committee entitled "Health and Safety Committee" shall be composed of the Steward appointed by the Union and Manager appointed by the City. The Health and Safety Committee shall be established to review and make recommendations on health, safety and sanitary conditions which affect the well-being of employees covered by the Memorandum.

ARTICLE 20
COMMUNICABLE DISEASE

In cases where employees are assigned to work in areas where they are exposed to communicable disease such as tetanus, typhoid, typhus, AIDS, tuberculosis, hepatitis, and other communicable diseases, and an employee contracts such a communicable disease through work place exposure, the employee will be treated for that disease at the expense of the City and benefits will be afforded in accordance with the City's OJI policy.

Employees shall be furnished necessary protective clothing and equipment as required by appropriate authority, such as OSHA, EPA or CDC.

The City shall furnish annual inoculations protecting against tetanus, typhoid, typhus, and influenza when such inoculations are available, requested by employees and recommended by a physician. The City has the option to select the provider of inoculations and the parties agree influenza is not a communicable disease intended to be covered by the OJI policy.

ARTICLE 21
ON-THE-JOB INJURY

In the event any employee sustains an injury on the job, occupational illness or communicable disease as defined in Article 20, he shall be taken directly to the nearest facility where proper medical treatment can be obtained. The cost of the necessary hospital, doctor's care, prescriptions, and related medical expenses shall be paid by the City for all on the job injuries or occupational diseases or communicable disease contacted on the job, provided that the employees shall assign to the City those recoveries from any third party only to the extent necessary to reimburse the City for the expense paid. This assignment shall exclude the proceeds from any insurance policy solely paid for by the employee.

All on-the-job injuries are subject to the OJI Policies, rules and procedures applicable to all City of Memphis employees. Employees shall submit to any reasonable examination by any physician employed by the City. If, because of an on-the-job injury, an employee must leave work prior to the end of his scheduled work period, he shall be paid the remainder of the day.

An employee unable to work because of an on-the-job injury may be paid full salary for time lost for a period not to exceed six months (180 calendar days). Thereafter, if the employee is unable to work, the employee may use available paid leave time (including paid sick leave) to permit the employee to remain on the payroll for a period of time not to exceed one year from the date of disablement, and at the end of one year from the date of injury the employee shall be removed from payroll.

All employees injured in the Line of Duty may apply for disability retirement benefits, subject to the City of Memphis Ordinance. They may also apply for benefits under the Long Term Disability Plan which covers all City employees.

Any change which may result in reduced on the job injury benefits to employees shall not be made until notice is given to the Union and until such changes and/or adjustments are discussed by the parties.

ARTICLE 22 BULLETIN BOARDS

The employer agrees to provide a bulletin board where official notices of Union matters may be posted by Union representatives. It shall be in a conspicuous place and accessible to Union officials.

ARTICLE 23 OVERTIME

Overtime shall be paid at time and one-half (1½). The City's work week for overtime purposes begins at midnight Friday and continues for seven (7) consecutive twenty-four (24) hour periods, ending the following Friday at midnight. Overtime shall be paid for all hours worked in excess of forty (40) hours per week and overtime shall be mandatory in case of emergency.

Planned overtime shall be offered according to seniority in the classification on a rotating basis. If the most senior person declines to accept then the next in seniority shall be offered and so on. An employee who declines overtime shall not be offered overtime again until his/her next turn on the list. Unplanned overtime shall be offered according to seniority in classification to the extent practical.

Hours paid for holiday pay will be counted as hours worked for the purpose of computing overtime pay, except when the holiday falls on an employee's regular scheduled work day.

Employees who work seven (7) consecutive days will receive double (2) times for all hours worked on the seventh (7th) day.

ARTICLE 24 SHIFT WORK

In the event the City establishes regular evening or night shifts, the parties agree to bargain regarding the establishment of shift premium pay.

An evening shift is defined as one beginning between 3:00 p.m. and 6:00 p.m.; a night shift is defined as one beginning between 9:00 p.m. and 12:00 a.m. (midnight).

The parties further agree that seniority by classification shall control shift assignments and that annually employees will be given opportunity to change shifts.

ARTICLE 25 INSURANCE

Life insurance is offered to permanent, full-time employees covered under this agreement as an optional benefit. Enrolled employees will pay thirty-six percent (36%) of the total premium, which will be paid by payroll deduction. The amount of life insurance offered to eligible employees is equal to one and one-half (1½) times the employee's base salary.

Employees who remain in the employment of the City on or after the age of 65, will have their life insurance coverage reduced in accordance with the Age Discrimination in Employment Act Schedule as listed below to a minimum amount of \$3,000.

<u>Age</u>	<u>Reduced to the following percentages</u>

80 but less than 85	23%
85 but less than 90	16%

Upon retirement at any age, employees are eligible to retain \$3,000 dollars coverage. Those employees who retire, in addition to having the option to purchase the maximum allowable of \$3,000.00 under the City Policy, will retain one half (½) of the amount of free life insurance.

ARTICLE 26 HEALTH CARE PLANS

It is agreed the City shall offer a health care insurance plan on an optional contributory basis to eligible permanent full-time employees covered by this Memorandum of Understanding. Employee contributions shall be paid by payroll deduction and the terms and benefits of the plan shall be the same as provided to City employees generally. Enrolled employees shall pay 30% of the total cost of the health plan and the City shall pay 70% of the total cost. It is agreed the City may from time to time adjust employee contribution rates and the terms of the plan and if such occurs the City will notify the Union prior to implementation. The terms and conditions of the plan shall be standard for covered employees on a City-wide basis.

The City, on an annual basis, may offer eligible employees an option to join a qualified Health Maintenance Organization (HMO) as provided by the Health Maintenance Organization Act of 1973, as amended. Employee contributions shall be paid by payroll deduction.

ARTICLE 27 TRAINING

The City and the Union recognize the need for the training and development of employees to fulfill the City's requirements for maintaining the efficiency of operations and service. The City and the Union agree that employees shall be free and unencumbered to suggest, recommend, and/or request additional training with the intent of providing opportunity for self-improvement and upgrading.

To meet these objectives, the City may from time to time provide training opportunities to employees of the bargaining unit. Mandatory training shall be conducted during hours considered as hours worked. Should training be offered on a voluntary basis, it may be offered during working time or on the employee's own time. If on the employee's own time, it will be unpaid, unless otherwise agreed by the City and the Union.

Employees shall be notified of training opportunities offered generally to employees on a City-wide basis and the parties agree to encourage employee participation. From time to time, as the need arises the Union and the City may provide training opportunities on a joint basis. Such training will be arranged between the parties and shall require the approval of the Director of Human Resources and the Director of the Union.

ARTICLE 28 CONTRACTING AND SUBCONTRACTING

The Union recognizes the right of the City to contract or subcontract for any services or materials which it presently contracts or subcontracts.

The City agrees that contracting and/or subcontracting of services should only occur when it can be shown that to do so would provide cost-effective, more efficient services to the public. To show cost efficiency, the City shall provide the Union with a cost benefit analysis showing where the contracting and/or subcontracting would be a best practice for the taxpayers and citizens of the City of Memphis upon the Unions request. Whenever the City intends to contract or sub-contract services of any work performed by bargaining unit members, the City shall, as early as possible give written notice of its intent to the Union. The notice should include information regarding the nature of the work to be done or performed or the services to be provided; the proposed

duration and cost of such contracting; and the rationale for such contracting. Upon written request, the City shall meet and confer with the Union over the impact of the proposed contracted services upon the bargaining unit. The City further agrees to make reasonable efforts to avoid or minimize the impact of any such actions upon bargaining unit employees.

ARTICLE 29

PAYROLL DEDUCTIONS OF UNION DUES

Regular, full-time employees (non-probationary) of the City of Memphis may authorize payroll deductions for the purpose of paying Union Dues. No authorization shall be allowed for the payment of initiation fees, assessments or fines. The procedure which shall be followed by all employees in authorizing deductions of Union dues shall be for each employee to execute a written assignment on the form attached hereto.

In the event the Union members vote to increase Union dues, the Union shall notify the City at least thirty (30) days prior to the effective date of the dues increase. The dues shall be deducted monthly in an amount certified by the Union and the aggregate deductions of all employees shall be remitted together with an itemized statement to the treasurer of the Union by the tenth (10th) day of the succeeding month after such deductions are made.

The Union will indemnify, and hold the City harmless against any claims made and against any suits instituted against the City on account of payroll deduction of Union dues. The Union agrees to refund to the City any amounts paid to it in error on account of the payroll deduction provision upon presentation of proper evidence thereof.

The employee's earnings must be regularly sufficient after other legal and required deductions are made to cover the amount of the appropriate Union dues. When a member in good standing of the Union is in non-pay status for an entire pay period, no withholding will be made to cover the pay period from future earnings. In the case of an employee who is in non-pay status during only part of the pay period, and

the wages are not sufficient to cover the full withholding, no deductions shall be made.

In this connection, all other legal and required deductions have priority over Union dues. However, any employee who executed a written assignment authorizing payroll deduction prior to any authorized leave shall, upon returning on payroll, have his dues deducted.

Provided specifically agreed upon by the parties, deductions for items other than dues may be made upon proper authorization in writing. Such agreement will not be unreasonably withheld.

Names and addresses of new employees in the bargaining unit will be provided to the Union upon request to the Survey Manager.
