Team rosters

Only teams entered in the USTA Adult Summer League are eligible to enter.

The winning teams in the men's and women's divisions will qualify for advancement in the Utah District Championships, July 28-30, 2016. Should the winning Men's & Women's team in the tournament also become eligible to advance to the District Championships by virtue of their league standings, the Wild Card Qualifier would take precedence.

Eligibility: Winning teams in the qualifying tournament must have completed all of their USTA Adult Summer League Matches (without any team defaults), as well as all round robin matches in the tournament in order to become eligible to advance to the District Championships.

This is a non-sanctioned event and Match results will not be used for computing NTRP ratings. Individual matches played in the qualifier do NOT count toward the required number of matches needed in order for a player to advance to a District or Sectional Championship.

No refunds will be issued for any reason after the tournament deadline

All USTA Adult League Regulations (except as noted above) and "The Code" are in effect.
