2009 VFC Recertification Final Reminder!

Dear VFC Provider,

In order to renew certification for participation in the Vaccines for Children Program (VFC) for 2009, all VFC provider sites were expected to submit their annual "2009 Recertification" by December 15th 2008.

If your practice has not yet submitted the required 2009 VFC Recertification, we urge you to complete it and submit it as soon as possible in order to prevent a delay in the processing of your next vaccine request. Please visit www.eziz.org to complete and submit your 2009 VFC Provider Recertification electronically. You will need your clinic's VFC PIN (6-digit number) and Zip code to access the system.

IMPORTANT: All public and private sites currently enrolled in VFC are expected to comply with this federal requirement and MUST have a 2009 Recertification on file before any vaccine request is approved.

You may find copies of the VFC Recertification mailing sent out to providers in November of 2008 in the "VFC Letters and Faxes" section of our website at www.eziz.org (<http://www.eziz.org/PDF/Annual%20Recertification%20Memo%20Final.pdf>)

If you have any questions about this process or about logging in, please call a VFC Customer Service Representative at 1-877-243-8832.

VFC has now a new website: www.eziz.org. Visit us!
