*Jim Maynard's
Celestial Calendars...
the astrological reference
of choice since 1973.*

Celestial Influences®, Pocket Astrologer®, Celestial Guide® and **Astrologer's Datebook®** are complete astrological calendars with an introduction to astrology, descriptions of the zodiac signs, the influences of the moon through signs and phases, and influences of the planets and aspects.

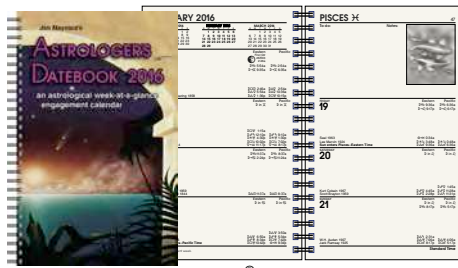

Celestial Guide® is an astrological, week-at-a-glance engagement calendar. Each day has lunar ingresses, lunar phases, void-of-course moon, occultations, aspects, planet ingresses, stationary points, holidays, and celebrities' birthdays. The **Guide®** also includes explanatory text, an ephemeris, sunrise/sunset tables, a chart blank, table of ascendants, an address book with space for birth dates and signs, and an asteroid ephemeris.

Celestial Guide® 2016 has a double-loop, wire-o binding instead of the plastic spiral it had before. Individually shrink-wrapped. 5 3/8" x 8 1/2", 176 pages, full-color text and cover. Includes both Eastern and Pacific times. ISBN 978-1-935482-40-6 \$13.95

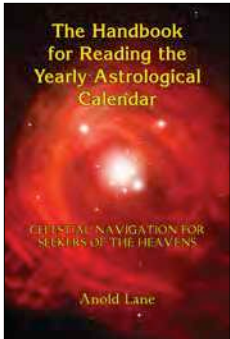

Celestial Guide® is available as loose pages, which are 7-hole punched, ready for your day planner, or for any 3-ring, 5-ring, or 7-ring notebook binder sized for 5 1/2" x 8 1/2" paper. The **Celestial Guide® Looseleaf** is a limited edition. It is not available in stores and can only be purchased directly from Quicksilver Productions. A binder is not included—just the unbound Guide. 5 3/8" x 8 1/2", 176 pages, 7-hole punched loose pages, no binder, b&w illustrations, full-color cover. Eastern and Pacific Time \$13.95

Astrologer's Datebook® is a smaller week-at-a-glance engagement calendar. It contains all of the same information and design as the **Celestial Guide** except in a smaller size and black & white text pages. **Astrologer's Datebook®** has a double-loop, wire-o binding, individually wrapped. 4 1/4" x 6 3/4", 176 pages, b&w illustrations, full-color cover. Includes both Eastern and Pacific times. ISBN 978-1-935482-41-3 \$9.95

The Handbook for Reading the Yearly Astrological Calendar by Anold Lane

The Handbook was written specifically for teaching the interpretation and use of the **Celestial Guide®**. It's a "guide" for the **Guide**. The Handbook gives simple methods to understand your natal chart and how to use it for day-to-day choices and long-term decisions.

6" x 9", 108 pages, illustrated, paperback ... \$12.95

iAstroDaily 2016 is an app of Jim Maynard's Celestial Calendars at \$5.99. There is an iPhone/iPod version and a separate, enhanced edition for the iPad.

iAstroDaily shows the calendar, as one day at a time, looking like a single day in the Celestial Influences. It adjusts daily information to your time zone and you have the option to change from DST back to Standard Time.

Landscape displays the Eastern or Pacific Pocket Astrologer's calendar page with colored bars showing Retrograde planets.

iAstroDaily 2016 includes most of the text in the calendars: Planetary Motions, stations, ephemeris, asteroids, planet visibilities, eclipses, meteors, phases of the Moon, Occultations, Sunrise and Sunset, Ascendants, and descriptions of the Planets, aspects, Signs, void-of-course Moon, etc.

Go to www.QuicksilverProductions.com for links to both versions at the App Store.
