## Filing Instruction

- ※ The filing date is the date on which the withholding agent (or overseas investment vehicle) files this Report as received from another relevant overseas investment vehicle and the filing number is the serial number assigned to such filing.
1. This Report shall be prepared and submitted by an overseas investment vehicle if a Korean source income is paid through such overseas investment vehicle. In this regard, if the beneficial owners include both non-resident individuals and foreign corporations, this Report shall be prepared on a combined basis and not for each group separately. In the case where additional Korean source income is received after the submission of this Report, a new Report shall be prepared and submitted in any one of the following cases:
    - I) If an overseas investment vehicle changes its name, address, country of residence, entity type, telephone number or tax rate to be applied, etc.;
    - ii) If an overseas investment vehicle, which was initially reported as an overseas public collective investment vehicle, has lost such status as a result of not satisfying the relevant requirements such as regarding number of investors; or
    - iii) If three years have elapsed since the submission of this Report.
  2. Items ① and ⑱. Enter the full English name of the overseas investment vehicle or the initials of the overseas investment vehicle with its full name in parentheses.
  3. Items ② and ⑲. If the representative is a foreigner; enter his/her full English name as shown in his/her passport.
  4. Items ③ and ⑳. Enter the date of establishment of overseas investment vehicle in the following format: YYYY-MM-DD.
  5. Items ④ and ㉑. Enter the Number of the investment registration certificate (IRC No.) of the overseas investment vehicle issued by the Korean Financial Supervisory Service. In the absence of IRC No., enter the Taxpayer Identification Number in the country of residence (If the overseas investment vehicle has Business Registration Number issued by the National Tax Service, enter it)
  6. Items ⑤ and ㉒. Enter current telephone number including the country code and area code, if any.
  7. Items ⑥ and ㉓. Enter the overseas investment vehicle's address in English in the following order: street number, street name, city, state, postal code and country. Please do not enter a PO Box.
  8. Items ⑦, ⑧, ㉔ and ㉕. Enter the country abbreviation and code from ISO Country Codes set by the International Organization for Standardization (ISO).
  9. Item ⑨. Enter the relevant foreign statutory provisions in English which requires that the overseas public collective investment vehicle shall be registered with or approved by the financial supervisory authority of the tax treaty partner country.
  10. Item ⑩. Enter the English name of the financial supervisory authority of the tax treaty partner country, which has jurisdiction over the registration or approval thereof.
  11. Items ⑪ and ㉖. Check the applicable type of entity. Check "Partnership" if the investment vehicle is a corporation but is subject to partnership taxation in its country of residence under which its shareholders or investors are directly subject to tax liability. If the investment vehicle is not a corporation, fund or partnership, check "Others" and specify the type in parentheses.
  12. Section 1-2. Enter the relevant information by classifying beneficial owners by each country of residence. If, however, it is considerably difficult to classify the beneficial owners by each country at the time of submitting this Report, the Section 1-2 can be prepared and submitted using the information as at the end of the preceding quarter from which this Report is submitted or at the time that overseas investment vehicle can classify beneficial owners within the preceding three months from which this Report is submitted on a retroactive basis.
  13. Item ⑫. Enter country abbreviations as determined by the ISO or 'ZZ' if the residence country of the beneficial owner is not identifiable. If the investor is other overseas investment vehicle, enter the name of such overseas investment vehicle as indicated in the Report of Overseas Investment Vehicle received from such overseas investment vehicle, instead of classifying the beneficial owners behind such overseas investment vehicle by each residence country, and enter "1" for the number of beneficial owners. Please prepare separate attachment if the space given in the form is insufficient for the number of countries of residence of beneficial owners.
  14. Item ⑬. Enter the applicable reduced tax rate[or 0(zero) tax rate on applying non-taxation-tax exemption] under the tax treaty between Korea and the country in which the beneficial owner resides.
