2013 TDA ENROLLMENT

2013 TDA ENROLLMENT INSTRUCTION SHEET

2013 DOLLAR LIMIT - This is the maximum dollar limit you can contribute to the BERS Tax Deferred Annuity (TDA) Program in 2013. Generally, the maximum contribution amount for 2013 is the lesser of 100% of compensation or \$17,500. Those eligible for catch-up contributions (see TDA Booklet) may contribute as much as \$3,000 this year above the \$17,500 limit and are limited to a lifetime total of \$15,000. Members age 50 or older are eligible to contribute an additional \$5,500 in 2013.

CONTRIBUTION RATE - Enter the whole number percentage of your salary that you would like to contribute to the TDA Program. This rate will be applied to your salary, after pension deductions and before taxes are taken, to determine your contribution amount. Use the worksheet Determining Your Contribution Percentage included in the TDA Booklet to assist you in estimating your contribution rate.

You may contribute between 1% and 100% of your salary, limited by your 2013 dollar limit.

CONTRIBUTION ALLOCATION - Please indicate the desired allocation of your contributions. You may allocate 100% of your contributions to the Fixed or Variable Programs, or split your contributions between the programs. Allocations must be in whole percentages (in multiples of 5%). The total percentages must equal 100% or your election cannot be honored.
