Interest Statement – Kenneth E. Smith

I served on the first Acadia National Park Advisory Committee for several years, 1987 – 1994.

I was also a Councilor for the Town of Bar Harbor during the time when the Park Boundary Bill was negotiated and passed and was very active during the process.

Acadia is a unique National Park as it resides within the boundaries of several Island towns.

Representatives of all of the communities and the National Park must establish and maintain a relationship and work together for the best interests of all. I would like the opportunity to represent Bar Harbor's interests while being sensitive to the needs of Acadia National Park.

Attachment III

Statement of Qualifications – Kenneth E. Smith

See Attachments I and II...

I am a lifelong resident of the Town of Bar Harbor and have many years of service to the town through participation in local boards and committees. I care deeply for our community and this Island. I feel strongly that we must maintain a strong and cordial working relationship with Acadia National Park as they are our backyard neighbors and are an important component to the success of our local economy. We must work together as we find the balance that suits all parties.

Before a deer herd management plan is considered, he would like to see scientific data from Acadia National Park and the College of the Atlantic that the deer population is in crisis.
- Ms. Whitney, who is also supportive of no action to the deer population, read a section of the State statute prohibiting the baiting of deer. She questioned why allow killing of coyotes when they are a natural predators of deer.
- State Representative Brian Hubbell expressed his disappointment for the inability to move through the bond issue for the ferry terminal. He will continue to make an effort to keep it moving. Bruce Van Note of MDOT thought they may find funds for the ferry terminal. Since it is generally known in Augusta of the recent changes in Bar Harbor, Mr. Hubbell suggested that town officials make it known in Augusta that the town is still interested.

Motion passed 6-0.
- Mr. Ashe reported that Councilors Paradis and Bowden also met with him and Mount Desert Town Manager Durlin Lunt along with two of their selectmen to discuss this agreement. They were in agreement that both boards should meet together with the Maine State Police for further discussion on the pros and cons of shared police chief and/or shared departments for future consideration.
- B. **Downtown Wayfinding Signage Plan** – *Presentation and progress update on the Visitor Wayfinding Project by Gamble Design, Hub of Bar Harbor, and Bar Harbor Business Roundtable on the current design and they are requesting Council approval to move forward on the presented design concept and to begin the fabrication phase.* – Susan Boyer of the Hub of Bar Harbor and Chris Fogg the Executive Director of the Chamber of Commerce gave an overview of the project from beginning to date. Boyd Morrison of Gamble Designs gave a PowerPoint presentation of the design concept and areas of location. Following the presentation, Mr. Morrison provided a breakdown of costs. In addition, Hancock County Planning

Commission may marry some of their work since portion of the Scenic Byways runs through the Town and would meet the criteria a portion of matching Scenic Byway funds would be available.

Mr. Friedmann, with second by Mr. St. Germain, moved that we move forward with this design plan and spend the funds as appropriated at town meeting and as outlined in the budget handout. Motion passed 6-0.

C. Deer Herd Control Task Force -

1. *Presentation and possible adoption of final management plan.*
2. *Possible schedule of a public hearing for August 5.*

Following a brief summary of the changes from last meeting's presentation, Mr. Bowden, with second by Mr. St. Germain, moved that we accept the Deer Herd Management Strategy Plan as presented tonight and schedule a public hearing for August 5th. Motion passed 6-0.

- D. FY15 Water Budget - Possible adoption of a motion to introduce the Water Budget Ordinance as proposed [or amended] and schedule a public hearing for August 19.** – Finance Director Stan Harmon and Water Superintendent Jeff Van Trump introduced the FY15 Water Budget. In short, no rate increase is proposed in this budget for the second consecutive year, a 0.3% revenue increase is projected for the FY15 budget year, a 2.0% budgeted increase of operating expenses as a target, gross CIP expenditures projected at \$535,275 which is already bonded, and no additional borrowing from the Town's *General Fund* for the fifth year in a row. It's anticipated that in the fall of 2015 the Town will file for a rate increase with the PUC effective January 1, 2016. There are too many variables at this time to file sooner and to project the percentage of rate increase.

Following questions and comments from the Council, Mr. Friedmann, with second by Mr. Bowden, moved to introduce the Water Budget Ordinance dated July 15, 2014 as proposed and to set a public hearing for August 19, 2014. Motion passed 6-0.

- E. Council's Goals – Status update on goals.** – Following highlights from Interim Town Manager Jim Ashe, he also announced the Backyard Parking Lot stakeholders will be meeting August 14th and would like to provide a status update to the Council at their September 2nd meeting.

Mr. St. Germain suggested a resolution to the MDOT reinforcing the Town's commitment to acquiring the ferry terminal. Following discussion, Mr. St. Germain, with second by Mr. Friedmann, moved to request the Town Manager to draft a letter to Maine Department of Transportation and Maine Port Authority reinforcing the Town's commitment to acquire the ferry terminal and that it remains in the Council's goals, in addition cc Brian Hubbell. Motion passed 6-0.

- F. Treasurer's Warrant – Request of Treasurer to authorize paid bills.** – Mr. Friedmann, with second by Ms. Greenlee, moved to sign the Treasurer's warrant for paid bills. Motion passed 6-0.

IX. TOWN MANAGER'S COMMENTS

Mr. Ashe responded to last meeting's question on how far down lower Main Street the parking tickers ticket and it's down to Wayman Lane. The estimated cost of Part A of the downtown tour bus drop off is \$100 and will be done soon; and Part B is more than just a curb cut, a sidewalk needs to be built and this portion of the approved drop off is estimated to be six to eight thousand dollars. There is worked schedule in the area of Oliver Street in the fall and this will be added to the scope of the work.

Phil Saucier, Robert Crawford, or Lee Bragg of Bernstein, Shur will hold a municipal officers' workshop for Council on topics including executive session, freedom of access, and town council and town manager roles and responsibilities. Dates available for the one hour session are an hour prior to the regularly scheduled meeting on September 16th or a separate meeting on September 23rd. Council's general consensus was 6:00 p.m. on September 16th.

He announced Fire Chief Matt Bartlett agreed to serve on one of Emera Maine community advisory committees.

He thanked the town staff for the great job they did over the Fourth of July.

Mr. Ashe announced the Public Works week long open house July 21 through 24th from 9:00 a.m. to 3:00 p.m. with the open house on Friday, July 25th starting at 11:00 a.m. for lunch.

X. COUNCIL COMMENTS AND SUGGESTIONS FOR NEXT AGENDA

Mr. Friedmann noticed a letter to the Islander's editor regarding the engineering of properly backfilling trenches and potholes, and would appreciate comment from Public Works highway division.

He also announced he is unavailable for the next Council meeting, August 5th.

Mr. Paradis stated in addition to the Public Works and all town staff, he also gives thanks to the Chamber of Commerce for all their hard work in providing the Fourth of July celebration.

He announced that the Acadia National Park Advisory Commission is seeking two nominees for one seat.

The next Council meeting has five public hearings and due to the number of public hearings, and the Town Council's wish to give everyone an equal chance to be heard, they will be conducting these public hearing using the following guidelines – they want to give everyone ample time to prepare their comments:

1. Folks will be given 3 minutes to make their comments.
2. They'll make a countdown clock visible to those making comment so that speakers will be aware of time and will not be interrupted during their presentation with warnings.
3. The clock will turn yellow from green when there is 15 seconds remaining, and finally red when time is up.

4. The time and clock arrangement is what is used by Maine Legislative committees.
5. Councilors will have a chance to ask questions of the speaker after their presentation.
6. Written comment can be submitted to the Town Clerk prior to the meeting but must be submitted by July 30th. This action will ensure that Councilors have an opportunity to review the material submitted, since it will be part of the Council packet.
7. We cannot guarantee that any written comment received after July 30th will be reviewed prior to any Council action on August 5th.

Some suggestions:

1. State your name and address.
2. Please be brief and to the point.
3. Avoid making points already made by prior speakers.
4. Be respectful.
5. Remember that a public hearing is a chance to comment on an item and not a forum for debate.

XI. **EXECUTIVE SESSION:** (There were none)

XII. **ADJOURNMENT** – The meeting adjourned by acclamation at 9:25 p.m.

Patricia A. Gray, Town Clerk

RECEIVED

JUL 11 2014

Town of Bar Harbor
Manager/Clerk's Office

TO: Key Municipal Officials of MMA Member Cities, Towns and Plantations

FROM: Chris Lockwood, MMA Executive Director

DATE: July 8, 2014

SUBJECT: MMA Annual Election - Vice President and Executive Committee Members

Deadline: Friday, August 15, 2014 by 12:00 noon

Nomination Process – Each year member municipalities have an opportunity to vote on the election of the proposed MMA Vice President and municipal officials to serve on the MMA Executive Committee. A five-member Nominating Committee was appointed in March to review nominations submitted by municipal officials and conduct interviews with those municipal officials qualifying and interested in serving as the MMA Vice President and Executive Committee. The MMA Nominating Committee completed its task in May and put forth a Proposed Slate of Nominees for 2015 to member municipalities.

Petition Process – As part of the May mailing, information was also provided on the MMA Petition Process. Pursuant to the MMA Bylaws, nominations may also be made by Petition signed by a majority of the municipal officers in each of at least 5 member municipalities. The deadline for receipt of nominations by petition was July 7. There were no municipal officials nominated by petition.

It is now time for each member municipality to cast its official vote.

Election Process – Enclosed you will find the MMA Voting Ballot which includes the proposed Slate of Nominees to serve on the MMA Executive Committee as selected by the MMA Nominating Committee. A brief biographical sketch on each nominee listed on the MMA Voting Ballot is enclosed for your reference. You will note that unlike municipal elections, MMA does not provide for "Write-in Candidates" since our process includes an opportunity to nominate a candidate by petition, as noted above.

The MMA Voting Ballot must be signed by a majority of the municipal officers or a municipal official designated by a majority of the municipal officers, and received by the Maine Municipal Association by 12:00 noon on Friday, August 15. We have enclosed a self-addressed self-stamped envelope for your convenience. The MMA Voting Ballots will be counted that afternoon and the election results confirmed under the direction of MMA President Peter Nielsen.

Election results will be available by contacting the MMA Executive Office or by visiting the MMA website at www.memun.org on Friday, August 15, after 4:00 p.m. A formal announcement of the election results will be made at the MMA Annual Business Meeting being held **Wednesday, October 1, at 1:45 p.m., at the Augusta Civic Center**. Newly elected Executive Committee members will be introduced at the MMA Awards Luncheon and Annual Business Meeting and officially take office on January 1, 2015.

If you have any questions on the Election Process, please contact Theresa Chavarie at 1-800-452-8786 or in the Augusta area at 623-8428, or by e-mail at tchavarie@memun.org. Thank you.

Subject: I am opposed to deer hunt

Hello Town Council members,

I will be away next week and unable to attend the public hearing but wanted to share with you my opposition to the proposed deer hunt and any plan for a deer hunt in Bar Harbor. Feel free (and I encourage you) to read my comments at the meeting.

I have been traveling the roads here for over 22 years and believe that the deer problem is being exaggerated. I spend a great deal of time biking the carriage trails of Acadia, and the park loop road, and very rarely see deer but definitely enjoy the opportunity when it arises. Just this week I biked 40 miles of carriage trails and didn't see any deer. I enjoy seeing the deer and believe that a great many other residents, and visitors, also enjoy seeing the deer and believe they are something special about our community.

I have spoken with several Bar Harbor residents about the proposed hunt and have yet to find one that is in favor. I feel quite confident that if this comes to a vote of the residents of Bar Harbor that it will be easily defeated. This should not be confused with an earlier vote passed by residents to explore options; which is not a vote to have a hunt.

Also, the idea of baiting is very disturbing and extremely unsportsmanlike. And I'm not sure but have heard that it is against state law. Try explaining this process to your children or grandchildren.

Even with a limited deer hunt gardeners and plant owners will still need to protect their plants from the surviving deer.

Finally, I believe it will be a sad commentary when we have to start wearing reflective orange, avoid baiting areas, and not wear white to avoid being shot in our own backyards on MDI. And to think of hearing gunshots near our homes is a scary proposition. With so little land in Bar Harbor that isn't park land how can the hunting possibly not be close to some residences?

There is plenty of Maine outside of MDI for the hunters. In fact I'd be happy to rent my camp in Aroostook County to the hunters. The deer on MDI are not a problem. Please vote to leave the deer alone.

Placing the Deer Herd Management Strategy Plan

It is hereby ordered that the following article be placed on the town meeting warrant with voting thereon to be held by Australian ballot.

DEER HERD MANAGEMENT STRATEGY PLAN – Shall the voters of Bar Harbor authorize the Bar Harbor Town Council to petition the Maine Department of Inland Fisheries and Wildlife to adopt a plan based on the Town's proposed Deer Herd Management Strategy Plan, dated July 15, 2014?

INSERT FULL TEXT

Explanation: The Deer Herd Control Task Force (hereinafter "TF") was established to address the concerns of residents regarding the deer population. The TF included members of the public, Acadia National Park, law enforcement, Maine Department of Inland Fisheries and Wildlife (MDIFW), Conservation Commission, and Kebo Valley Golf Club. Their first objective was to gather information on deer and deer-related issues in Bar Harbor. The TF found there were no current estimates of deer densities in Bar Harbor or MDI, and that the public's tolerance for deer numbers was nearing or had exceeded its limit. A survey, mailed to all property owners, confirmed these findings with 56.3% of respondents indicating that the current deer population in Bar Harbor was a problem and that management alternatives should be explored. The TF then worked with MDIFW to develop the proposed plan comprised of: 1) a short-term effort, in which the use of archery and firearms is permitted during a 2-4 week period in late December or early January for two to four years (depending on success) to reduce the herd to a desired level and 2) a long-term effort, during which only archery will be permitted during the regular statewide archery season (four weeks in October) to maintain the reduced and healthy population. The short-term effort involves only Bar Harbor property owners and up to two designees per property. The hunters must be the property owner or have the property owner's permission as a pre-arranged designee. The long-term effort through an archery-only season will fall under state regulations. If the plan is approved by the voters, the Town will petition the Commissioner of MDIFW for adoption. MDIFW will then have final authority to adopt the plan.

Given under our hands and seal this Nineteenth day of August, 2014.

Subject: Designated MDI YMCA Representation on Parks and Recreation Committee

Date: July 8, 2014

The Parks and Recreation Committee has reviewed the April 15, 2014, Town Council approval to amend Chapter 31, Article V, § 31-22, Appointment, to create a seat on the Committee that is designated for a MDI YMCA representative and to remove the residency requirement. Attached are the unapproved minutes of that meeting (the Committee has not subsequently met to approve the minutes). The Committee passed the following motion, 3-0:

“Mr. Kelly moved, with second by Mr. Ankrom, to recommend that a seat on the Parks and Recreation Committee be designated for the executive office of the YMCA Executive Director, regardless of residency.”

Please feel free to call with questions.

tobacco product, and there are legal issues in controlling of others that is not desired. He raised the question of whether a nicotine patch would be included in the list of prohibited products. Chair Dobbs said he has not had much exposure to vaping. Mr. Ankrom acknowledged that visitors are bringing in more products to the locale.

The Committee viewed "Tobacco Free Zone" signage approved in 2011 along with an April 2014 quote to purchase ten signs. Ms. Donahue reported that the Wellness Committee has funding for signage. Chair Dobbs recommended the addition of the word "nicotine" to signage. Mr. Reeves said that if the policy is changed to a nicotine free policy, then amended signage would be in compliance with the amended policy. Messrs. Kelly and Ankrom recommended that signage not be too wordy. Ms. Donahue considers it important to keep the word "tobacco" in the verbiage.

Mr. Reeves said that some Town parks had not been included in the current policy because it cannot be policed in those areas. Hadley Point Landing is a case in point in that people can drive in there and smoke in their cars. The Village Green and Agamont Park have public sidewalks that cannot be policed, yet smoke blows into those parks. He described the policy as a self-policing policy; it helps people to refer to a sign when advising tobacco/nicotine users not to use in the space. Mr. Kelly indicated that some areas already have too many signs. Mr. Reeves recommended using the grant funds to purchase ten signs, observe the effect(s) and move them around. Town Hill Playground has signage installed. Suggested placement could include the entrances of Hadley Point Landing, Barker Park, Agamont Park, the Village Green, Park Street Playground, Glen Mary Park, the entrance and backstops at the Athletic Field, and on the fence of Harborview Park. Ms. Donahue said that more signage funding could be available from Healthy Acadia.

Mr. Kelly moved, with second by Mr. Ankrom, to adopt the amended policy presented by the Wellness Committee, which includes the addition of "nicotine," and to amend the signage to include "nicotine;" motion passed (3-0).
