Roster of Adult Participants – It is essential that all adults attending this camporee have successfully completed a background screening before attending the trip. We need at least three weeks' notice in order to screen anyone who has not previously been screened. Please keep in mind that if you have to add any adults to the trip after the initial registration, as listed below, you will need to contact MaryEllen Waiting by email at mwaiting@gsgatl.org with the names and emails of the individuals who must be verified before the start of the trip or they will not be allowed to attend. **Mother/Daughter camporees where mothers retain supervision of their daughter and no other groups are present in camp are exempt from this procedure.**
