[Timeline World Map 500 AD](#)

## Emerging Civilizations in:

1. North America
2. South America
3. Europe
4. Africa
5. Middle East
6. South Asia
7. East Asia
8. Southeast Asia

## Directions

1. Record group names below. Decide who will do which job.
2. Go to our Team Website. Go to Geography Links. Click on History of the World and select the timeline you were assigned.
3. Work cooperatively in your group and do your job.
4. Add facts from each civilization to the timeline template. Look for the most important (how they lived)/interesting events that happened during that time period.
5. Grading rubric is on page 3.

## Job Descriptions:

Everyone – Fact Researchers  
1 - Fact Recorder  
2- Image Finder  
3 - Organize poster  
Everyone – Cleans Area

## Learning Goal:

Students will learn how human, physical and environmental components of the world interact.

- Construct a timeline using historical information

## Group Names
