State of Hawai'i MRSA Awareness 2012

Half-day symposium for physicians and other health care providers on the state of staphylococcal (MRSA) infections in Hawai`i.
Gain practical clinical information on screening, diagnosis, management and infection control of patients with MRSA infections.

Saturday, March 3, 2012 8:15 am - 2:00 pm The Queen's Conference Center Honolulu, Hawai'i

Staphylococcal infections are common and MRSA has become increasingly more virulent and resistant to antibiotics. The community as well as the hospital setting has experienced an epidemic that is becoming more difficult to control. Hawai'i is the leader in the USA in MRSA infections. This symposium will address the severity of the epidemic and the surveillance that can lead to a reduction in clinical disease.

EDUCATIONAL OBIECTIVES

At the end of this symposium, participants will be able to:

- Explain the differences in performance of the assays available for MRSA surveillance and how to choose the most suitable test for implementation.
- Describe the virulence factors and antibiotic resistance associated with the MRSA epidemic and how it impacts patient management.
- Explain how MRSA infections in neonatal and pediatric ICU's are managed from the standpoint of risk factors and the clinical presentation.
- Describe the impact on the pediatric hospital staff and the clinical approach to hospitalized children infected with MRSA in a high prevalence area.
- Describe how MSSA and MRSA differ in the clinical course of disease for children compared to adults.

CE CREDITS

Physicians

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of The Queen's Medical Center and Diagnostic Laboratory Services, Inc. The Queen's Medical Center is accredited by the ACCME to provide continuing medical education for physicians.

The Queen's Medical Center designates this live activity for a maximum of **4.0** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Medical Technologists

An ASCLS P.A.C.E. Program for 4.0 contact hours

MORE SYMPOSIUM INFORMATION

Directions to The Queen's Conference Center, parking, and accessing symposium materials online will be sent upon confirmation of registration.

PROGRAM

7:30 am	Continental Breakfast
8:15 am	Welcome & Introductions
	Matthew J. Bankowski, Ph.D.
	Terrie Koyamatsu, B.S.
8:30 am	"MRSA Surveillance to Reduce
	Clinical Disease: Variable
	Performance of FDA-Cleared
	Assays and the Potential Program
	Impact of Test Choice"
	Lance R. Peterson, M.D.
9:45 am	"Epidemic Community Associated
	Methicillin-Resistant Staphylococcus
	aureus Infections – Lessons from the
	First Decade"
	Robert S. Daum, M.D.
10:30 am	Break
11:00 am	"MRSA Staphylococcal Infections in
	Neonatal and Pediatric Intensive
	Care Units"
	Marian E. Melish, M.D.
11:45 am	Discussion and Questions
	Matthew. Bankowski, Ph.D.
	A. Christian Whelen, Ph.D.
12:00 N	Lunch (Provided)
1:00 pm	"Impact of Severe Staphylococcal
1.00 pm	Infections in Hospitalized Children in
	a Hyper-endemic Area"
	Guliz Erdem, M.D.
4.45	
1:45 pm	Closing Discussions Matthew. Bankowski, Ph.D.
	A. Christian Whelen, Ph.D.
	A. Christian veneren, Ph.D.
2:00 pm	Adjourn

SYMPOSIUM FACULTY

Matthew J. Bankowski, Ph.D., D(ABMM)

Vice President and Technical Director, Clinical and Molecular Microbiology and Infectious Disease, Diagnostic Laboratory Services, Inc.;

Adjunct Assistant Professor, Tropical Medicine, Medical Microbiology, and Pharmacology, John A. Burns School of Medicine, and Associate Graduate Faculty, Department of Microbiology, University of Hawai'i at Manoa

Robert S. Daum, M.D., CM

Professor, Department of Pediatrics; Section Chief, Pediatric Infectious Diseases; Director, MRSA Research Program The University of Chicago, Chicago, Illinois

Guliz Erdem, M.D.

Professor, Department of Pediatrics, John A. Burns School of Medicine, University of Hawai'i at Manoa

Marian E. Melish, M.D.

Professor, Department of Pediatric and Cooperating Graduate
Faculty, Department of Tropical Medicine, Medical
Microbiology & Pharmacology, John A. Burns School of
Medicine, University of Hawai'i at Manoa

Lance R. Peterson, M.D.

Director, Microbiology and Infectious Diseases Research,
NorthShore University HealthSystem, Evanston, Illinois
Clinical Professor of Pathology and Medicine, The University
of Chicago Pritzker School of Medicine, Chicago, Illinois

A. Christian Whelen, Ph.D., D(ABMM)

Chief, State Laboratories Division, Hawaii Department of Health;

Associate Graduate Faculty, Department of Microbiology, University of Hawai'i at Manoa

SYMPOSIUM PLANNING COMMITTEE

Matthew J. Bankowski, Ph.D., D(ABMM) – Chair Joel Brown, M.D. – Co-Chair Terrie Koyamatsu, B.S., M(ASCP) Susan Slavish, BSN, MPH, CIC A. Christian Whelen, Ph.D., D(ABMM)
