Camp Manager's Report

COLUMBIA TIE ROAD CLEANUP SET - Quite a few members have signed up for the "Adopt-A-Road" program. Members were split evenly for the 2 dates that were selected for the first cleanup. Because of logistics, I have selected Saturday, April 30th for the inaugural cleanup. Those that signed up for the 23rd and any others interested are still welcome to participate but be sure to let us know you're attending so I can make sure we have enough bags and gloves. Everything needed for the job will be supplied so come on down and join in on the fun! The start time and location will be published soon.

ACTIVITIES CENTER COMMITTEE MEETING SATURDAY - A meeting will be held this Saturday the 9th at 1:00 pm in the HQ Conference Room to discuss the different concepts for a new Activities Center. Everyone is encouraged to attend the meeting and exchange ideas. Members with experience in commercial buildings, architecture, finance and all other fields pertaining to construction are needed to help design a building that fits the needs of this organization. Hope to see you there.

DODGE 4X4 TRUCK STILL UP FOR AUCTION - The 1999 Dodge 4x4 pickup with matching canopy that I have been driving for the past 8 years will be up for auction. The truck has approximately 160,000 miles on a 5.7 liter V-8 with automatic transmission. Those interested can call the office or email me and I will give you the specifics of the vehicle. I will attempt to have a flyer posted on the web that gives all the specifics before the end of the weekend. Kelly Blue Book has the vehicle listed in Fair condition as \$4,695.00 for private sale not accounting for the canopy. This is an open bid starting at \$2,950.00. Submit your bids to the office by phone or email.

The replacement vehicle has been purchased. It was replaced with a 2007 Toyota FJ Cruiser similar to the one used by LMCH Security personnel. The FJ have proven to be one of the best vehicles for this environment and we expect many years of service from this vehicle. Thank you for your support on this issue.

BOARD MEETING SET FOR APRIL 16TH - The next Board meeting is scheduled for Saturday, April 16th at 9:30 am in the HQ Conference Room. Everyone is welcome to attend.

I hope everyone has a great weekend.

Camp Manager

The Easter Bunny will soon be hopping into LMCH

ATTENTION: ALL BOYS AND GIRLS :

We will be sponsoring a couple of events to celebrate this occasion. We hope you can attend one or both of these activities.

On Sunday, April 17th, from 9 a.m. to 11 a.m., come have breakfast with the Easter Bunny. All children (under 12) receive a free breakfast. The Easter Bunny will have some goodies for all the children.

Hello from the Waterfront

Please join us at the **Waterfront Committee Meeting. May 7th 10:00am** in the HQ Conference Room. This will be a great opportunity to meet waterfront committee members. We are inviting members to share their ideas for improvements at the waterfront and swim beach. We'll have opportunity to share information on projects that are on our current wish list.

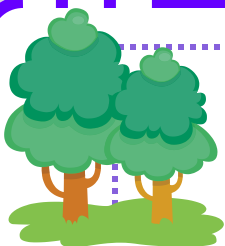

The Waterfront Committee is also looking for volunteers for a **work party** to support a waterfront clean-up activity planned for **May 14th 10 AM - 2 PM**. We'll be doing a general clean up of the area, raking, picking up tree limbs, weed whacking, etc., and pressure washing the docks as well. Everyone is welcome!

This is also a great opportunity to ask about volunteering at the waterfront. We are looking for people that would like to volunteer with Waterfront Security this summer. Our camp could not run without volunteers. If you are interested please join us in the committee meeting, or let us know by dropping us a note at waterfront@lmch.com.

See you soon,

Tim Gonzalez 73/9 Waterfront Committee Chair

The waterfront is for everyone. Please feel free to contact me with suggestions or ideas for our waterfront area.

What Garbage!

Please do not bring your personal garbage from home into camp. We have found car parts, building materials, and large items that need to be removed from camp and not dumped in the dumpsters and garbage cans.

Also, please limit garbage in the bathhouses to paper towels and trash generated in the bathhouse only. Food and household items can start to smell and attract animals.
