

# Sequoia Middle School PTA

Dear Parents and /or Guardians,

I hope your children are enjoying the start of the new school year! Sequoia's PTA would like to welcome back our returning students and welcome our new sixth grade class.

Sequoia's PTA is a very active and visible one. The PTA is responsible for implementing and supporting programs and projects aimed at creating a better educational opportunity for every child here at Sequoia. Each year the PTA supports various field trips, assemblies, programs and special events for our school. Without the PTA many of these activities would not be able to happen. The PTA also provided a student planner for each student enrolled at Sequoia.

All of the latest Sequoia PTA news and information including upcoming events, fund-raising, and meetings can be found on our website. Simply log on to Sachem's website link to Sequoia, and then link to PTA. Updates can also be found quarterly in the Principal's Newsletter; which can be found on Sequoia's website at the end of each marking period.

The PTA encourages every parent to become a member of this active group of parents and teachers who work together to enrich our children's educational experience. For only \$8.00 your membership will go a long way in supporting programs here at Sequoia. General meetings are held four times a year and feature a guest speaker on an informational subject. Your membership does not mean you are volunteering to help. However, if you would like to be contacted when we are in need of volunteers, please check the box when completing the form below.

I would like to take this opportunity to thank you in advance for your support in this worthwhile effort and for ensuring that our children have a wonderful school year.

Sincerely,  
Jane Altman  
Membership Chairperson, Sequoia PTA
