**Monthly Reading Log**

**Please aim to read 20 minutes each school night for a total of 80 minutes per week.** The 5<sup>th</sup> grade teachers are realistic and understand some nights it may be difficult to log 20 minutes of independent reading; therefore, although our goal is for you to read 20 minutes each night we are more focused on seeing a total of 80 minutes read per week. For example, this means you could read 10 minutes Monday, 30 minutes Tuesday, 20 minutes Wednesday, 0 minutes Thursday, and 20 minutes over the weekend. As another example, you could read 30 minutes Monday, 0 minutes Tuesday, 20 minutes Wednesday, 10 minutes Thursday, and 20 minutes Friday. **Turn in your completed reading log the last Friday of every month with your parent's signature on the back of your reading log.**
