

# The FIS Summer Reading Challenge

Name: \_\_\_\_\_

Grade: \_\_\_\_\_

- Read at least 10 books
- Record the titles and the authors of your books below
- Have your parents sign your list
- Bring your signed list to the ES library the week you return to school
- Remember that reading aloud to someone else or having some read aloud to you COUNTS!

Title	Author	Number of Pages

# The FIS Summer Reading Challenge

Dear Families of FIS Students,

To keep the reading excitement going this summer, The FIS library crew is excited to announce our third **Summer Reading Challenge**. It's easy, it's fun, and it will help keep our kids' reading interest intact. The five bulleted points on the other side explain the nuts and bolts of the program, but please contact us if you have any other questions.

To help expedite the program, we are once again letting students grades 1-8 check out up to ten books for the summer. In order to take advantage of this offer, a student must have all the books they currently have checked out accounted for by the **June 19**. This means all books must be checked in, and if there are any lost or damaged books, they must be paid for before books for summer reading can be checked out. Remember, these 10 books only extend the possibilities for our kids reading. The books read are definitely not limited to these 10 books.

To show our appreciation for our kids' diligence and reading excitement, all students who reach the ten book goal will be given a certificate, a special summer reading button, and special mention in the first FIS Newsletter home next school year.

Many thanks for your support for a great summer of reading.

The FIS Library Crew
