FRIDAY, JANUARY 16/2015

Join colleagues for informative and important conversations about diabetes care and regional best practices in Kootenay Boundary. Get the latest update on Interior Health's Diabetes Strategy - a 3 Year Plan, and contribute your ideas on how to best deliver care locally and regionally within that framework. Hear about the future of virtual diabetes clinics and learn about the benefit of telehealth from a patient perspective. Learn from keynote presentations by Dr. Lee MacKay on the history of diabetes clinics in Kootenay Boundary, and Dr. Phillip Malpass on the role of Shared Care in diabetes care.

Suitable for specialists, GPs, nurse practitioners, dietitians, podiatrists, pharmacists and all those working in the delivery of diabetes care.

2:30 WELCOME KEYNOTE
