# Dementia Capable Care: Staff Development Options

1  
DAY  
CERTIFY

EARN ADVANCED CERTIFICATION IN DEMENTIA CAPABLE CARE

## One-Day Foundation Course

The *Foundation Course* focuses on fundamental concepts and gives you the skills to provide the highest quality of dementia care. Complete this course and pass an online post-test within six months to earn advanced certification in Dementia Capable Care.

Course fee includes a starter pack of the Cognitive Assessment Tool Guide to share with your team. For detailed course times, visit [crisisprevention.com](http://crisisprevention.com) or call 877.816.4524. Course fee: \$259. 7 total contact hours.

What you'll learn:

- Identify empowering paradigm shifts to create successful outcomes for those with dementia.
- Demonstrate an understanding of Alzheimer's disease and related dementias and their impact on cognitive function.
- Identify cognitive assessments and screening tools to identify best ability to function.
- Describe the best ability to function and key remaining abilities for each dementia stage, as defined by Allen Cognitive Levels.
- Identify key care approaches for each dementia stage to promote the highest possible level of function in ADL, mobility, and leisure activity.
- Understand strategies to enhance communication, minimize negative behaviors, and support families.

The dementia curriculum, **Dementia Capable Care: Foundation Course**, has been reviewed by the Alzheimer's Association® and meets the Alzheimer's Association Dementia Care Practice Recommendations in certain topics as per report issued on July 10, 2013. See report results at [crisisprevention.com/ALZreport](http://crisisprevention.com/ALZreport).

2  
DAY  
CERTIFY + APPLY

EARN ADVANCED CERTIFICATION IN DEMENTIA CAPABLE CARE

## Two-Day Foundation and Care Partner Applications Course

The first day of this training is the *Foundation Course*. This second day helps you develop and apply new skills to various aspect of dementia care.

For detailed course times, visit [crisisprevention.com](http://crisisprevention.com) or call 877.816.4524. Course fee: \$519. 6 total contact hours.

What you'll learn:

- Link information about ADRD, cognition, and stages of dementia to work realities.
- Identify care approaches that will facilitate best ability to function for an individual at each stage of dementia.
- Practice person-centered communication strategies and care approaches specific to each stage of dementia.
- Develop customized care strategies.
- Create a comprehensive care plan, given communication strategies, care approaches, and behavior responses.
- Explain how various team members' efforts contribute to achieving positive outcomes for persons with dementia.

The dementia curriculum, **Dementia Capable Care: Care Partner Applications**, has been reviewed by the Alzheimer's Association® and meets the Alzheimer's Association Dementia Care Practice Recommendations in certain topics as per report issued on July 10, 2013. See report results at [crisisprevention.com/ALZreport](http://crisisprevention.com/ALZreport).

3  
DAY  
CERTIFY + APPLY + TRAIN

EARN ADVANCED CERTIFICATION IN DEMENTIA CAPABLE CARE AND BECOME AN INSTRUCTOR

## Three-Day Instructor Program (Train the Trainer)

This program begins on the third day. Completing this course gives you authorization to teach the *Foundation Course* within your organization and give your colleagues the opportunity to earn advanced certification in Dementia Capable Care.

For detailed course times, visit [crisisprevention.com](http://crisisprevention.com) or call 877.816.4524. Course fee: \$1,779. Contact hours are not offered for this third day of training.

What you'll learn:

- Key teaching points for each unit of the *Foundation Course*.
- Strategies for staff training in a person-centered, abilities-based model.
- Adult learning methods to promote retention and training transfer.
- Course customization techniques to build relevance for different staff groups.
- DCS quality standards that support ongoing staff training.
- Assigned practicum training for each participant.

The dementia curriculum, **Dementia Capable Care: Care Partner Applications**, has been reviewed by the Alzheimer's Association® and meets the Alzheimer's Association Dementia Care Practice Recommendations in certain topics as per report issued on July 10, 2013. See report results at [crisisprevention.com/ALZreport](http://crisisprevention.com/ALZreport).

## Benefits of Instructor Certification

Once certified, Instructors become an extension of our family of educators. Benefits include:

- Coaching services that will help develop your team to create positive memory care outcomes.
- Quarterly newsletters with strategies and support for facilitating exceptional training.
- Free refresher courses to keep your skills up to date.
- Webinars that focus on helping you solve a variety of workplace challenges.
- Access to CPI's quality training materials and resources to train within your organization.
- Documentation of all your training activities.
- Online access to CPI's global community of Instructors.
- Approval to submit the *Foundation Course* to gain CEU approval for internal trainings using your preferred provider status.

**Instructor Kit Included (\$489 Value)!** Every participant in the *Three-Day Instructor Program* receives a comprehensive Instructor Manual and materials necessary for staff training. The materials include an Electronic Presentation to help you deliver the program with ease and a starter supply of 10 *Foundation Course* Participant Workbooks.
