PhD POS   Current Semester: ☐Fall ☐Spring   Year: [_____]

PhD Program of Study Checklist

To be completed by <u>the student</u> and accompanied by current DARS report.

Last name, first name: [_____] [_____]   eID: [_____]

Semester started PhD program: [_____]   WID: [_____]

Deficiency courses: [_____]

List deficiency or required courses mentioned on admission letter:

[_____]

List deficiency or required courses waived: [_____]

On probation? ☐Yes ☐No   Current cumulative GPA: [_____]

    If on probation, were you admitted on probation: ☐Yes   ☐No

    Note: the GPA for all classes taken for graduate credit must be 3.0 or higher.

MS degree: ☐Yes   ☐No

    Note: If yes, a master's degree from any accredited university is worth 30 credit hours on the program of study.

    If no, you must have completed one course in each of the following areas. Check completed courses and circle courses still to be completed.

        Implementation: ☐706 ☐722 ☐736 ☐690

        Languages: ☐705 ☐706 ☐771 ☐806

        Systems: ☐720 ☐721 ☐725 ☐726 ☐751

        Structures: ☐730 ☐740 ☐761

        Theory: ☐770 ☐775

List courses completed at 800 level or higher: [_____]

    Note: At least 15 credit hours must be 800 or above. (Does not include CIS 999 research.)

    All CIS 890 courses need a unique title. 30-36 hours of CIS 999 is required on the Program of Study.

    There must be a total of 90 hours. (This would include 30 credits for a completed MS)

    Who will serve as your major professor?

    Note: Besides your major professor, there must be two other graduate faculty members from the CIS department placed on your committee. There must also be one other graduate faculty member added from an outside department. Additional members may be added that include non-KSU faculty who have been approved as adjunct status.
