**11. FILING A PROTEST**

- 11.1 Any actual or prospective bidder or contractor who is aggrieved in connection with the bid or award of a resulting contract may protest to the Chief Procurement Officer. - 14.2 The bidder warrants all articles, materials, and equipment supplied under a contract resulting from this bid conform to the specifications of this contract, to be fit and sufficient for the use specified, to be of merchantable quality, and to be free from defect of materials or workmanship. Equipment, articles, and/or materials received which do not conform to the above warranties, may be held at the bidder's risk of loss or damages, or returned at the bidder's expense at the discretion of Purchasing.

**15. BRAND NAME OR EQUAL:**

- 15.1 The use of a "brand name only" specification is for the purpose of describing the sole item that will satisfy the borough's requirements. Bids offering alternate products will be declared non-responsive.
- 15.2 The use of a "brand name or equal" specification is for the purpose of describing the standard of quality, performance and characteristics desired and is not intended to limit or restrict competition. An item shall be considered to be substantially equivalent, or "equal" to the specified brand in the opinion of the Chief Procurement Officer, the Borough can reasonably anticipate sufficiently similar quality, capacity, durability, performance, utility and productivity as provided by the specified brand.
- 15.3 The use of a "brand name or pre-approved equal" specification with a reference to a brand name or model number does not preclude an offer of a comparable or better product, if full specifications and descriptive literature are provided for the product. Bidder shall submit a Substitution Request form for a proposed equal to Purchasing at least ten (10) days prior to the bid opening date and time to allow the Fairbanks North Star Borough to make a determination of equality to the brand specified. If the borough approves the proposed equal, an amendment to the bid will be issued specifically identifying the item as a pre-approved equivalent. Failure to provide such specifications and descriptive literature may be cause for rejection of the offer.

**16. SPECIFICATIONS**

- 16.1 If the specifications describing an item conflict with a brand name or model number describing the item, the specifications govern.

**17. FIRM OFFER**

17.1 Offers made in accordance with this IFB must be valid and firm for a period of ninety (90) days from the date of bid opening.

**18. EXTENSION OF PRICES**

18.1 In the case of error in the extension of prices in the bid, the unit price will govern; in a lot bid, the lot price will govern.

**19. BID PREPARATION COSTS**

19.1 The Borough is not liable for any costs incurred by the bidder in bid preparation.

**20. CONTRACT FUNDING**

20.1 Borough funds are available for the initial purchase and/or the first term of the contract resulting from this IFB. Payment and performance obligations for future purchases and/or contract renewals are subject to the availability and appropriation of funds.

**21. ETHICS**

Bidder acknowledges that Section 16.70.030 of the Fairbanks North Star Borough Code provides as follows:

21.1 "It shall be unethical for any person to offer, give or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation or any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advise, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy, or other particular matter, pertaining to any program requirement or a contract or subcontract, or to any solicitation or proposal therefore.

21.2 It shall be unethical for any payment, gratuity or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or any person associated therewith as an inducement for the award of a subcontract or order."

21.3 Bidder agrees to follow the terms of this ordinance.

**22. LATE BIDS**

22.1 Late bids are bids received after the time and date established for opening of the IFB. Bids will be received only at the place stated on the IFB Cover Sheet. It is the sole responsibility of the bidder to see that his bid is submitted in time. Any bid received after the scheduled opening time will not be considered, but will be held unopened in the bid file, unless other disposition is requested or agreed to by the bidder. Other disposition will not take place until after award.

**23. LOCAL BIDDER PREFERENCE**

23.1 Bidder acknowledges that Section 16.35.050 of the Fairbanks North Star Borough Code provides as follows:

"In the award of contracts for goods or services, if otherwise in full conformity with the invitation for bids, a local bidder who has a valid business license to provide such goods or services shall be considered as low bidder if its bid is the lesser of five percent or forty thousand dollars in excess of the lowest bid received from a nonlocal bidder located elsewhere in Alaska, or the lesser of ten percent or eighty thousand dollars in excess of the lowest bid received from non-Alaska bidders. *This local bidder preference shall be applied to all invitation for bids unless:*

(1) *Prohibited by federal or state law or a grant requirement or*

(2) *The purchased good or service will be included in the cost allocation pool from which the administrative fee is determined.*

FNSB Code of Ordinances 16.21.020,X, defines a "local bidder" as a person who has a place of business located in the Fairbanks North Star Borough; which is staffed by an employee or employees as their permanent employment year round in the normal course of business.

**24. MANUFACTURER'S AUTHORIZATION:**

- 24.1 The low bidder must be the manufacturer of the product offered or shall provide, if requested, within ten (10) days from the publish date of the Notice Of Award, evidence from an official of the manufacturer, stating that the bidder is qualified AS AN AUTHORIZED DEALER OR RESELLER and has the authority to sell the product being offered and pass the manufacturer's warranty through to the borough with all first holder benefits of the warranty. Failure to provide the required document within ten (10) days after issue of the Notice of Award may, at the borough's discretion, result in the termination of the award.

**25. ACCEPTANCE OR REJECTION OF BIDS**

- 25.1 The Fairbanks North Star Borough may accept or reject any or all bids for good cause shown, to waive minor deviations from the specifications, and to waive any informality in bids received, when such acceptance, rejection, or waiver is in the best interest of the Fairbanks North Star Borough. Informalities in bids are matters of form rather than substance evident from the bid document, or insignificant mistakes that can be waived or corrected without prejudice to other bidders; that is, the effect on price, quantity, quality, delivery, or contractual conditions is negligible, and waiver of the informality does not grant the bidder a competitive advantage.
- 25.2 The Fairbanks North Star Borough may cancel the IFB if such cancellation is in the best interest of the Borough.
- 25.3 A bid may be rejected when (1) bidder is not in a position to perform the contract; (2) the bid is not signed by hand; (3) the bidder fails to furnish bid bonds or surety deposits, plans, specifications, samples, and so forth, when any were specifically called for in the IFB; (4) the bidder has failed to use this bid form; (5) the bidder fails to provide, with the bid, descriptive literature necessary to determine the responsiveness of the bid; (6) the bidder otherwise fails to qualify as a responsible and responsive bidder under FNSB 16.21.020 and 16.21.020; or (7) the Borough Assembly does not approve the award.

**26. PRE-BID CONFERENCE**

- 26.1 A pre-bid conference, if required, will be held at the time and place specified on the face of this IFB. The purpose of this conference is to allow for detailed discussion and clarification. All prospective bidders are encouraged to attend.
- 26.2 If the pre-bid conference is mandatory, this will be noted on the cover sheet of this IFB. Bidders who fail to attend the mandatory pre-bid conference shall be declared non-responsive and eliminated from consideration.

- A. The Seller shall defend, hold harmless and indemnify the Borough, its officers, agents, and employees, against any claims, loss, and/or damages directly or indirectly arising from or claiming to arise from any injury to any person(s), damage to any property, or any economic loss, arising out of, in whole or in part, (1) the Seller's performance or non-performance of its duties under this contract; and/or (2) any defect in any services provided by the Seller. This duty to defend, indemnify, and hold harmless shall include the Seller's responsibility for any and all foregoing claims, even if such claims are groundless, false, and/or fraudulent and any and all equitable relief, damages, costs and attorney fees except those caused by either the Borough's sole negligence or its willful misconduct.
- B. This obligation shall be continuing in nature and extend beyond the term of this agreement. The doctrine of equitable tolling extends the time within which an action for breach of this provision may be filed.
- C. "Seller" and "Borough" as used in this section, include the employees, agents, sub-contractors, and any other persons who are directly employed by or otherwise legally responsible, respectively to each party.

15. TERMINATION.

- A. Both parties may agree in writing to terminate this agreement at any time; either party may terminate the contract if the other party fails to perform in the manner called for in the contract; the Borough may terminate the contract for its own convenience on thirty (30) days written notice; and the agreement will terminate if the Borough Assembly fails to appropriate necessary funds or repeals all or substantially all of the appropriations which fund this agreement.
- B. In case of default by the contractor, for any reason whatsoever, the Borough may procure the goods or services from another source and hold the contractor responsible for any resulting excess cost or other remedies under law or equity.
- C. If this contract is terminated, the contractor has no further duty to perform other than that work reasonably necessary to stop work in a safe and workmanlike manner. Likewise, if this contract is terminated, the Borough has no further duty to pay the contractor except for the work satisfactorily completed or goods delivered and accepted, as of the date of termination, and the additional work completed as being reasonably necessary to stop work in a safe and workmanlike manner.

16. IMPOSSIBILITY TO PERFORM. The contractor is not liable for any failure to perform its obligations under this agreement, if that failure is caused by any unforeseeable force beyond the control of, and without the fault or negligence of, the contractor. For the purposes of this agreement, such forces shall mean any emergency under the Alaska Disaster Act (AS 26.23); war (whether declared or not); revolution; invasion; insurrection; riot; sabotage; military or usurped power; lightning; explosion; fire; storm; drought; flood; earthquake; epidemic; quarantine; strikes; acts or restraints of governmental authorities affecting the project or directly or indirectly prohibiting or restricting the furnishing or use of materials or labor required; inability to secure materials, machinery, equipment, or labor because of priority, allocation, or other regulations of any governmental authorities.

17. CONTRACT DOCUMENTS.

- A. The following documents constitute the whole agreement of the parties, and they prevail in the following order in the event of any inconsistency between them: this agreement, specifications in the Borough's Invitation for Bid, and the Seller's Bid Schedule.
- B. The Borough purchase order to be issued for this work is a contract document. The terms specified on the Borough purchase order for this work are subordinate to those in all other contract documents. This clause does not alter the order of predominance of contract documents as specified in other subsections of this section.

18. OTHER.

- A. The Seller may not assign, in whole or in part, the Seller's duties or interests under any of the contract documents without the prior written consent of the Borough.
- B. This contract binds the successors, heirs, personal representatives, and any assigns of the parties.
- C. Time is of the essence of this contract.
- D. Before paying the Seller, the Borough may deduct the amount of any debt from any source that the Seller owes to the Borough.
- E. The laws of the State of Alaska will govern the interpretation of this agreement. Any action arising from this agreement will be filed in Fairbanks, Fourth Judicial District, State of Alaska.
- F. The Contract Documents may be amended only in writing.
- G. Any provision or part of the Contract Documents held to be void or unenforceable under any law or regulation shall be deemed stricken and all remaining provisions shall continue to be valid and binding upon the parties. The parties agree that the Contract Documents shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.
- H. The Contract Documents constitute the entire agreement between the parties, and supersede all prior agreements, representations, and negotiations.
- I. Any terms of this Agreement that, by their nature, extend beyond the expiration or termination of this contract shall remain in effect until fulfilled.
