## NEWS & EVENTS

### LMC Library Introduces Three New History Databases!

#### American History Online

Spans more than 500 years of political, military, social, and cultural history to cover the American experience.

#### Ancient and Medieval History Online

Presents the full scope of world history from prehistory through the 1500s, with special topic centers on key civilizations and regions.

#### Modern World History Online

Covers the broad expanse of world history from the mid-15th century to the present, featuring thousands of documents, articles, timelines, images, videos, and maps.
