### ***Workshop Presenters***

Life Support Systems

Program fee of \$160.00 includes light breakfast, lunch, manuals, certification, and face shield.

**7 Professional Development hours are available upon completion of the workshop**

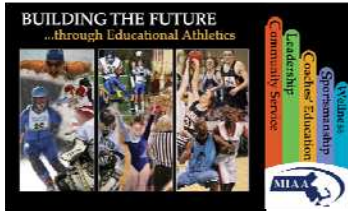

### ***Workshop Description***

It is after hours, the nurse has left for the day. Someone's life depends on you! Do you have the knowledge and skills to save someone's life? CPR and 1<sup>st</sup> aid protocols have changed in the past couple of years. Are you in need of an update? Would you know how to use an AED in an emergency situation? How would you respond to environmental catastrophes, anaphylactic shock, or serious trauma? Learn how your school can implement effective life saving strategies.

### ***Workshop Topics***

Increase heart health awareness in your school; Prevent tragedies; Develop Emergency Action Plans to make schools more safe; Learn CPR and AED protocols and procedures, Receive CPR and AED certification; Learn protocol for treating wounds, injuries, burns, broken bones, concussion, environmental catastrophes, anaphylactic shock, minor and serious trauma, bites and stings.

***Wear comfortable clothing!!***
