

VARIANCE APPLICATION
Drainage Plan Review

PRINT OR TYPE ONLY

05/02

RECEIVED BY: _____ DATE: _____ BLDG.PERMIT # _____

NOTE: A completed Building Permit Application must be on file with Code Administration prior to the processing of this Plan Review.

THE FOLLOWING DRAINAGE PLANS MUST ACCOMPANY THIS APPLICATION:

Two (2) scaled drawings of the property showing:

- (a) The location of the proposed structure, proposed driveway and existing roads or streets.
- (b) Existing elevations and drainage patterns (conditions).
- (c) All proposed elevations (a finished grading plan) and proposed drainage plans.
- (d) If the drainage is to be diverted from its original path when leaving the property, sufficient information related to affected adjacent properties must be shown.

It is the responsibility of the applicant not the County to provide a legible and complete drainage plan. Any request which fails to be accompanied by a concise, accurate plan showing existing and proposed grades will be returned marked "incomplete."
