NATIONAL CSR HUB

TATA INSTITUTE OF SOCIAL SCIENCES

Handicrafts Partner Organisation Empanelment Form

Dear Applicant,

Greetings from the National CSR Hub at the Tata Institute of Social Sciences (TISS)!

The National CSR Hub at the Tata Institute of Social Sciences has designed and devised an evaluative framework for the assessment and identification of credible and competent development partners in the handicrafts sector. Through the empanelment process, the National CSR Hub at the Tata Institute of Social Sciences, certifies and accredits organisations on their credibility and competence. Through the empanelment process, our endeavour is to build a professionalised pool of development sector organisations in India, those that are representative of credibility and competency with evidence of community centric approaches for the promotion and development of handicrafts and artisan welfare respectively. This evaluative framework has been customised for the Office of the Development Commissioner (Handicrafts), Ministry of Textiles, GoI. Through this process, TISS envisions supporting grassroots organisations and other types of organisations in the handicrafts sector that are people centric and are/have been diligently working towards the holistic development of the artisan community and promoting cultural heritage by preserving various indigenous art forms. We are hopeful that this robust process, that lends equal weightage to both financial and programmatic evaluation, shall result in rightful channelization of government funds for the upliftment of the artisan communities across India, in turn strengthening the handicraft sector.

The Empanelment Committee of the National CSR Hub at TISS has customized the general empanelment framework to suit the sectoral requirements of the handicrafts industry. The evaluative and assessment framework designed for accreditation of not for profit partners in the handicrafts sector lends equal weightage to the financial and the programmatic parameters for assessing the competence of the not for profits. In our endeavour to promote transparency, we are enlisting below the six principle parameters for evaluation:

- Organizational Financials: System, Capacity, Transparency and Sustainability
- Organizational Vision Mission, Strategy, Methodology and Sectoral Understanding
- Governance, Organizational Structure, Policy, Processes and Systems, and Human Resource Capacity
- The Craft Process: Production, Processing, Marketing, Innovative and Sustainable Practices
- Mechanism of Consolidation of Existing Artisan Groups and Clusters
- Knowledge Creation, Documentation and Dissemination of Knowledge to the Larger Community

Kindly read the guidelines carefully and you are requested to follow the instructions given below.

Wishing you all the very best and look forward to having you on board the Tata Institute of Social Sciences in partnering with us to achieve our objectives of sustainable development, inclusive and equitable growth with social justice.

Please note that applications are processed on a first come, first serve basis. No exceptions will be made in this regard.

Only completed application forms shall be processed for scrutiny by the Empanelment Committee. In the likelihood that the applicant is unable to fill in a specific question or provide a document, explanations must be provided or the applicant may write 'Not Applicable' or 'N.A'. list of empanelled agencies does not imply rejection/disqualification/de-listing from the National CSR Hub at TISS. It simply implies that a particular application is still under scrutiny. All applicants shall be notified as and when the Empanelment Committee thinks it appropriate. The status of empanelment, whether accepted, not empanelled or withheld for field verification, will be communicated to all applicants.

Failure to meet eligibility criteria of empanelment, furnishing of incomplete application form, furnishing of false information shall lead to non empanelment.

Any partner agency found to have engaged in irregularities of any form shall be de-listed by the National CSR Hub at TISS and the same shall be conveyed to the Office of the Development Commissioner (Handicrafts), for necessary action.

Every application that is unable to be empanelled shall be duly notified of the same. Organizations that are unable to be empanelled, can apply only after two years from the date of communication of non – empanelment.

As per mutual agreement between TISS and the office of DC (handicrafts) no processing fees shall be payable by the applicant organization for being considered for empanelment with TISS.

However in the likelihood of a field verification of an applicant organisation, the cost of the same shall have to be borne by the applicant organisation after taking its concurrence.
