I certify that I meet the eligibility requirements of this rebate program, and that all information submitted as part of this application is correct to the best of my knowledge. I agree to the terms and conditions listed below.

Valid for eligible swimming pool pumps installed between 12/1/15 - 6/30/16. Rebate forms must be postmarked by 7/31/16. Pool pump must be listed on the Efficiency Vermont qualified products list at the time of purchase to be eligible for rebate. Limit: One pump rebate per Vermont residential electric account, and two pump rebates per commercial electric account, per calendar year. Eligible pumps include multi-speed, variable-flow, and variable-speed models listed on www.efficiencyvermont.com. This rebate offer is available to all Vermont residential electric customers and commercial customers with seasonal/outdoor pools and may be subject to change without prior notice. This rebate may not be combined with any other Efficiency Vermont offer. Efficiency Vermont reserves the right to conduct field inspections to verify installations. Rebate payment will not exceed 100% of purchase price. If purchase price is less than maximum rebate amount, rebate payment will be \$1 less than purchase price. Limitation of liability: Efficiency Vermont does not guarantee the performance of installed equipment expressly or implicitly. In accepting these financial incentives, the customer agrees that Efficiency Vermont holds the sole rights to any electric system capacity credits and/or environmental credits associated with the energy efficiency measures for which incentives have been received. These credits will be used for the benefit of Vermont ratepayers. Efficiency Vermont has no liability whatsoever concerning (1) the quality, safety, and/or installation of the pool pump, including its fitness for any purpose; (2) the estimated energy savings of the pump; or (3) the workmanship of the installation contractor. Efficiency Vermont makes no representation regarding manufacturers, dealers, contractors, or materials. Efficiency Vermont will not be responsible for any tax liability that may be imposed on the customer or contractor as a result of the payment of rebates. For more information or to confirm eligibility, call 888-921-5990.

STEPS TO GETTING YOUR EFFICIENCY VERMONT REBATE:

1. Fill out this form completely. Incomplete information will delay or disqualify your rebate.
2. Enclose a copy of your dated sales receipt and a copy of a recent electric bill.
3. Mail it to the address at right.

All rebate forms must be postmarked no later than July 31, 2016.

THE ENERGY STAR CERTIFIED POOL PUMPS ELIGIBLE FOR A \$400 REBATE

Can save you about \$300 annually, and up to \$3,000 over the life of the pump.

Use as little as one-third the electricity of single-speed pumps.

Operate more quietly and prolong the life of your pool's filtering system.

Rebate is for the purchase and installation of a qualifying ENERGY STAR multi-speed, variable-speed, or variable-flow pump for residential and seasonal commercial pools. To maximize savings, choose a pump with a built-in timer.
