

The Reflective Practitioner

Please complete this form and return it to the address below. It will help us decide the future training needs of our workforce. If you are undertaking an NVQ, this form will be passed to your assessor for her to consider as evidence. Please make copies of the form for yourself and one for your setting manager for your Professional Development Folders.

Name of Delegate..... Setting.....

Course Name..... Date of Course.....

As a result of this session how will you move your early years practice forward?

1. What impact has this session had and what have you learnt as a result of it?

2. Describe how you could implement what you have learnt in your setting straight away

3. If you are unable to implement anything, please explain.

4. Identify anything that you need to consider and plan for the future

Training Session

Reflect on your own practice : after putting point 2 into practice describe the impact this has had on the learning and development of the children in your setting.

Reflect on this practice: how will you do it differently in the future?
