# Science Fair Project Proposal Form

What is the question you want to answer with your project?

Using this question, what title could you give your project?

Can you complete your experimentation by December 4<sup>th</sup>? Explain how you will set time aside to complete your project.

What is the purpose of your project? (Begin with, "The purpose of this project is to...")

Formulate your hypothesis as an "If...then..." statement.

List the materials you will need for your project.

I have discussed this science fair project with my parents and we believe it is a project that I will find manageable and challenging.
