UFID: _____ - _____ Student's Name: _____

Information contained in the National Student Loan Data System (NSLDS) indicates a potential problem with your financial aid application. The NSLDS information states that you have exceeded the maximum amount a student is allowed to borrow through the Federal Perkins Loan program.

To regain your financial aid eligibility and allow our office to continue processing your financial aid, you must either: 1) provide documentation showing that you have repaid the amount borrowed in excess of federal loan limits, 2) provide documentation showing that the information contained in the NSLDS is inaccurate, or 3) provide documentation that you have made satisfactory arrangements with your lender(s) to repay loan amounts borrowed in excess of federal loan limits. Please print and attach this form to your documentation.

Please contact a financial aid adviser at the above number for further information regarding resolution of this problem.

Sincerely,

Office for Student Financial Affairs
