

Scholarship Application Information

The Angelina College Scholarship Committee recommends that the first thing a student should do when making application for scholarships is to complete the "Free Application for Federal Student Aid." This application is available in the college financial aid office, most public libraries and your local high school counselor's office. Completion of this application will indicate to the student if he/she qualifies for Federal financial aid which includes the Pell Grant, Supplemental Education Opportunity Grants, and College Work Study programs. It will also qualify a student for the Texas Public Education Grants. Also, eligibility for several of the Angelina College scholarships depend on Federal financial aid eligibility.

Angelina College offers over 200 scholarship awards during the fall and spring semesters. The eligibility criteria for these scholarships varies considerably. Listed below are the major categories of scholarships available at Angelina College. When you begin completing the application for scholarship you will be asked to check one or more of the following scholarship categories you are applying for.

Category One - General Academic Scholarships

These scholarships are available primarily to recent high school graduates who have demonstrated academic excellence in high school. However, some academic scholarships are awarded to continuing students at AC or transfer students who have demonstrated academic excellence in their college courses. To be considered for an academic scholarship, the student is strongly encouraged to submit ACT or SAT test scores with the scholarship application.

Category Two - Angelina Challenge Award

This scholarship is reserved for recent graduates of accredited high schools in Angelina County and is awarded on a first come first served basis. To be eligible for this award, students must apply for the Pell Grant, as stated above, and must not qualify for more than 800 dollars in financial aid. (i.e. Pell, other federal and state grants, Angelina College scholarships, third party scholarships and other aid).

Category Three - Boon Scholarships

There are two Boon Scholarships, the Boon Opportunity Scholarship and the Boon Teaching Award. The Boon Opportunity Award is reserved for adult students returning to college from the world of work, homemaking, or students completing their G.E.D. The Boon Teaching Award is reserved for students in a pre-education major from one of the counties in the college service area who plan to teach in this area upon completion of their degree.
