RFP #848

FLORIDA LEGISLATURE OFFICE OF LEGISLATIVE INFORMATION TECHNOLOGY SERVICES

FULL SERVICE HARDWARE, WARRANTY REPAIR AND MAINTENANCE FOR SELECTED COMPUTER EQUIPMENT LOCATED WITHIN THE STATE OF FLORIDA

1.01 INTRODUCTION

The Office of Legislative Information Technology Services on behalf of the Florida Legislature, hereinafter referred to as "OLITS", intends to obtain competitive sealed proposals for full service computer hardware repair, warranty repair and maintenance for selected computer equipment owned by the Legislature located within the State of Florida. The successful proposer will be required to provide services as defined in this RFP.

A. QUESTIONS/INQUIRIES

Questions for additional information or clarification may be submitted in writing (by mail, hand-delivery, e-mail to jackson.james@leg.state.fl.us or by FAX to 850/4141909) and received no later than April 7, 2010.

All questions should be addressed as follows:

QUESTIONS REQUEST FOR PROPOSAL # 848 FULL SERVICE HARDWARE, WARRANTY REPAIR AND MAINTENANCE FOR SELECTED COMPUTER EQUIPMENT LOCATED WITHIN THE STATE OF FLORIDA

Responses to questions will be posted on the website at www.leg.state.fl.us/RFP848 on the date listed in the Schedule of Events, section 1.04. It is the responsibility of each Proposer to monitor the website at www.leg.state.fl.us/RFP848 for new and changing information.

Note: A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal to provide goods or services for a period of 36 months from the date of being placed on the convicted vendor list.

1.02 OBJECTIVE

The OLITS is seeking responsible Proposers to provide full service computer hardware repair, warranty repair and maintenance for selected computer equipment located throughout the State of Florida. The OLITS has subdivided the types of equipment and coverage requirements into the following two categories:

- A - Personal Computer (PC) and Peripheral Equipment Located in Tallahassee and District Offices
- B - Network Servers.

Proposers may choose to respond to one or both Attachments (A and B) in this RFP in their entirety.

A. ATTACHMENT A - Personal Computer and Peripheral Equipment Located in Tallahassee and District Offices

The Legislature's PCs and peripheral devices are currently located in Tallahassee and in the district offices of the elected members of the House and Senate.

The Legislature's Tallahassee PCs and peripheral devices currently consists of approximately **676 networked PCs** with manufacturers including, but not limited, **DELL and LENOVO**. There are also approximately **110 network/desktop laser printers, 11 inkjet printers, and 21 multifunction devices** in use in all locations with various manufacturers including, but not limited to, **Hewlett Packard**. Other types of equipment include, but are not limited to, facsimile machines, external/internal hard drives, Uninterruptable Power Supplies (UPS), tape drives, CD ROM, DVD drives, and scanners. The local Tallahassee equipment is primarily housed in the Capitol Complex. PC and peripheral equipment are also located approximately six miles from the Capitol at the offices of The Commission on Ethics.

There are 40 members of the Senate and 120 members in the House of Representatives. The elected members of the House and Senate have offices located in their respective districts in the State of Florida. Senate and House District Office addresses are listed in ATTACHMENT C. Each member also has an office in the Capitol Complex in Tallahassee, Florida. Staff from the district offices bring their assigned laptop PCs to Tallahassee for committee meetings and the Legislative session. The requirements of this proposal will apply to these machines regardless of whether located in Tallahassee or the member district offices. **Each Senate District office has a server.** The ATTACHMENT A-1 inventory listing identifies the location of where all PC, Peripheral equipment and Senate servers are installed. **All Proposers must respond to ATTACHMENT A-1 in its entirety.**

B. ATTACHMENT B - Network Servers

The Legislature's network servers are mission-critical systems that operate 365 days per year, 24 hours per day. There are approximately 107 servers and associated peripherals in this attachment with various manufacturers including, but not limited to, **Hewlett Packard**. ATTACHMENT B-1 inventory listing identifies the location of the Tallahassee based network servers. **All Proposers must respond to Attachment B-1 in its entirety.**

1.03 RFP COORDINATOR

Upon receipt of this RFP, all Proposer communications concerning this RFP, including but not limited to, the "QUESTION/INQUIRIES" must be directed to the RFP Coordinator of the Legislative Purchasing Office listed below. Unauthorized contact regarding this RFP with other Legislative employees may result in disqualification. Any oral communications will be considered unofficial and non-binding to the Florida Legislature. Proposers should reply only in writing (mail, hand-delivered, email or fax) to the following:

James R. Jackson Jr.
Office of Legislative Services
Purchasing Office
Room 880, Claude Pepper Building
111 West Madison Street
Tallahassee, FL 32399-1400
FAX (850) 414-1909
jackson.james@leg.state.fl.us

The Florida Legislature reserves the right to award Attachments A and B to a single successful Proposer or award Attachments A and B to two (2) separate successful Proposers as best meets the needs of the Florida Legislature.

Proposals shall be submitted to the OLS Purchasing Office by proposers in a sealed envelope indicating the date, time of proposal opening, proposal title, and proposal number.

Proposals must be submitted in two separate sealed parts: a Technical Proposal and a Cost Proposal, due on **April 27, 2010, at 3:00 p.m.**

Proposal packages must be boxed or sealed and identified as follows:

Name of Proposer: (Your Company's Name)
REQUEST FOR PROPOSAL # 848
FULL SERVICE HARDWARE, WARRANTY REPAIR AND MAINTENANCE FOR
SELECTED COMPUTER EQUIPMENT LOCATED WITHIN THE STATE OF FLORIDA

It shall be the sole responsibility of the proposer to see that his or her proposal is received at the proper location on or before the stated time of proposal opening. All proposals received after that time shall be returned unopened.

1.07 OPENING OF PROPOSALS

Sealed proposals will be opened by the OLS Purchasing Office of the Florida Legislature in Room 880, Pepper Building, 111 West Madison Street, Tallahassee, FL 32399-1400 on **April 27, 2010, at 3:00 p.m.** All proposals are subject to the conditions specified herein.

The Florida Legislature reserves the right to waive any minor irregularities or technicalities in any proposals received, to cancel any request or reject any or all proposals in whole or in part, with or without cause, to solicit new proposals or to accept the proposal which, in its judgment, will be in the best interest of the Florida Legislature.

1.08 EVALUATION/AWARD

Evaluation and award of this proposal shall be made to the highest ranked Proposer based upon the total number of points awarded for all areas as outlined under "Evaluation Criteria and Procedures" section 4.0 of these specifications. If, however, the parties do not come to an agreement the Legislature will begin negotiations with the next highest ranked Proposer.

1.09 TERM OF AWARD

The award will consist of this RFP, any addenda, and the successful Proposer's response to this RFP and any purchase order(s) issued as a result of this RFP.

The award will be effective for **two years** from the issuance of the Purchase Order and may be renewed for **two (2) additional two-year periods**. This award may be canceled by the Legislature with 30 days advance written notice to the successful Proposer(s). In the event an award is terminated by such notice from the Legislature, the successful Proposer(s) shall be paid for services provided through the date of termination. Notice shall be sufficient if it is delivered personally or mailed by certified mail to the successful Proposer(s).

1.10 WARRANTIES

The successful Proposer(s) represents that it is professionally qualified and possesses the requisite skills, knowledge, qualifications and experience to provide the required services and equipment specified. The Legislature represents that it has a need for the services specified in this RFP and is authorized to acquire them from the successful Proposer(s). **The following are warranty certification requirements which shall be certified in writing in the Mandatory Forms/Certifications (Section 3.3) Attachment 4. If the Proposer cannot so certify to any of the following, the Proposer shall submit with its proposal a written explanation of why it cannot do so with Attachment 4 within the Mandatory Forms/Certifications.**

- 1.10.1** The Proposer(s) or any other organization associated with this RFP is currently or will be registered with the State of Florida, Department of State, Division of Corporations, prior to the contract award.
- 1.10.2** The Proposer or any other organization associated with the RFP is not currently under suspension or debarment by the State or any other governmental authority.
- 1.10.3** To the best knowledge of the person signing the Proposal, the Proposer, its affiliates, subsidiaries, directors, officers, or any organization associated with this RFP are not currently under investigation by any governmental authority and have not in the last ten years been convicted or found liable for any act prohibited by law in any jurisdiction involving conspiracy or collusion with respect to bidding on any public contract.
- 1.10.4** To the best knowledge of the person signing the Proposal, the Proposer, its affiliates, subsidiaries, directors, officers, or any organization associated with this RFP have no delinquent obligations to the State, including a claim by the State for Liquidated damages under any other contract.
- 1.10.5** To the best knowledge of the person signing the Proposal, the Proposer, its affiliates, subsidiaries, directors, officers, or any organization associated with this RFP have not within the preceding three years been convicted of or had a civil judgment rendered against them or is presently under indictment for or otherwise criminally or civilly charged for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain or performing a federal, state or local government transaction or public contract; violation of federal or state antitrust statutes; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.
- 1.10.6** To the best knowledge of the person signing the Proposal, the Proposer, its affiliates, subsidiaries, directors, officers, or any organization associated with this RFP have not within a three-year period preceding this certification had one or more federal, state, or local government public transactions terminated for cause or default.

1.11 AVAILABILITY OF FUNDS

The performance of the Legislature under any awards from this RFP shall be subject to and contingent upon the availability of funds lawfully appropriated by and to the Florida Legislature and applicable for the purpose of the services and equipment specified.

1.12 PAYMENT TERMS

The Contractor shall receive monthly payments in arrears. Payment will be made after receipt of a correct invoice and approval by the Legislature. Travel, when required, is reimbursed in accordance with s. 112.061, F.S. When submitting invoices that include travel, a state travel reimbursement form must be attached. Invoices must include a itemized statement of charges. The invoice(s) shall be paid pursuant to the terms of Policy 2.151, Joint Policies and Procedures of the Presiding Officers.

1.13 INSURANCE

The successful Proposer(s) shall not commence any work in connection with an award until they have obtained all of the appropriate insurance coverages to adequately protect the Legislature from any and all liability and property damage hazards that may result from the performance of an award. Furthermore, all insurance shall be with qualified insurers duly licensed to transact business in this state.

The Legislature shall be exempt from, and in no way liable for, any sums of money which may represent a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the successful Proposer providing such insurance. Upon request, the successful Proposer(s) shall furnish the Legislature an insurance certificate that will evidence that all of the appropriate coverages are fully in effect.

1.14 INDEMNIFICATION

The successful Proposer shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the Legislature and its officers, agents and employees from suits, actions, damages, and costs of every name and description, including attorney's fees, arising from or related to personal injury and damage to real or personal tangible property alleged to be caused in whole or part by the successful proposer, its agents, employees, partners or subcontractors; provided however, that the successful Proposer shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the Legislature.

The successful Proposer's obligations under the preceding paragraph with respect to any legal action are contingent upon the Legislature's giving the successful Proposer (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at the successful Proposer's sole expense, and (3) assistance in defending the action at the successful Proposer's sole expense.

1.15 LIMITATION OF PROPOSER'S LIABILITY

- A. Except as specified in the foregoing section 1.14, for all other claims against the successful Proposer under any award from this RFP, and regardless of the basis on which the claim is made, the successful Proposer's liability for direct damages shall be limited to the annual value of the Proposer's total proposal under this RFP. No party shall be liable to another for special, indirect, punitive, or consequential damages, including lost data or records even if the party has been advised that such damages are possible. No party shall be liable for lost profits, lost revenue, or lost institutional operating savings. The Legislature may, in addition to other remedies available to it at law or in equity and upon notice to the successful Proposer, retain such monies from amounts due to the successful Proposer as may be necessary to satisfy any claim for damages, penalties, cost and the like asserted by or against it. The Legislature may set off any liability or other obligation of the successful Proposer under any contract with the Legislature.
- B. It is the responsibility of the Legislature to insure that all of its files and data stored in the equipment are adequately duplicated and documented. The successful Proposer will not be responsible for the Legislature's failure to do so, nor for the cost of restructuring data stored on disk files, tapes, memories, and any other form of storage lost or impaired during the course of performance of service hereunder.

1.16 PROHIBITION AGAINST ASSIGNMENT

An award of this RFP is for services and equipment to be provided by the successful Proposer(s). The award may not be assigned by the successful Proposer(s) in whole or in part, unless specified otherwise in this RFP. The successful Proposer will agree that its performance of any other services during the term of this award or future awards shall not interfere with the faithful and timely performance of this award.

1.17 COLLUSION

Proposal-rigging is a crime. The Florida Antitrust Act and the Sherman Antitrust Act prohibit agreements among actual or potential competitors as to which firm will win a contract put out for proposal. The antitrust laws also prohibit other forms of price-fixing, including agreements and conspiracies among actual or potential competitors with the purpose or effect of raising, fixing, pegging, or stabilizing prices, or allocating (dividing) geographic markets or contracts. Any suspicion of anticompetitive conduct in connection with this proposal should be reported to the State of Florida's Office of the Attorney General, Antitrust Section.

Please complete the enclosed Non-Collusion Statement (Attachment 2) and enclose with your RFP package.

1.18 DISCLOSURE INFORMATION

Please complete the enclosed Disclosure Information Form (Attachment 3) and enclose with your RFP package.

1.19 CONSULTANT REVIEW

The Legislature reserves the right to share with any consultant of its choosing this RFP and proposal responses received in order to secure a second opinion.

1.20 WAIVERS

The Legislature shall not be deemed to have waived any of its rights or remedies hereunder unless such waiver is in writing and signed by the Legislature. No delay or omission on the part of the Legislature in exercising any rights or remedies shall operate as a waiver of such right or remedy or any other rights or remedies. A waiver on any one occasion shall not be construed as a bar or waiver of any right or remedy on future occasions.

1.21 COST OF PROPOSAL PREPARATION

The cost of preparing the Proposal is the sole responsibility of the Proposer, whether or not any award results from this solicitation.

1.22 SUBCONTRACTOR OR THIRD PARTY VENDORS

The successful Proposer will be responsible for full service computer hardware repair, warranty repair and maintenance for selected computer equipment owned by the Legislature located within the State of Florida without the use of subcontractors or third party vendors.

1.23 RESOLUTION OF DISPUTES

Any disputes between the successful Proposer and the Legislature as to the application, meaning, or interpretation of any part of an award as a result of this Request for Proposal shall be resolved in Leon County, Florida, by application of Florida law.

1.24 CONFIDENTIAL, PROPRIETARY, TRADE SECRET

If Proposer considers any portion of the documents, data or records submitted with this RFP to be confidential, trade secret or otherwise not subject to disclosure pursuant to Section 11.0431, Florida Statutes, the Florida Constitution or other authority, Proposer must also simultaneously provide the Legislature with a separate redacted copy of its documents, data or records and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation for such exemption. This redacted copy shall contain the RFP number and Proposer's name on the cover and shall be clearly titled "Redacted Copy." The Redacted Copy shall be provided to the Legislature at the same time Proposer submits the document, data or records to the Legislature and must only exclude or obliterate those exact portions that are claimed confidential, proprietary, or trade secret.

Proposer shall be responsible for defending its determination that the redacted portions of its documents, data or records are confidential, trade secret or otherwise not subject to disclosure. Further, Proposer shall protect, defend, and indemnify the Legislature for any and all claims arising from or relating to Proposer's determination that the redacted portions of its response are confidential, proprietary, trade secret or otherwise not subject to disclosure.

If Proposer fails to submit a Redacted Copy with its proposal, the Legislature is authorized to produce the entire document, data or record submitted by Proposer in answer to a public records request for these records.

2.0 SCOPE OF SERVICES

Refer to ATTACHMENTS A and B for any exceptions to the provisions outlined in the Scope of Services.

2.1 REPLACEMENT PARTS AND ENGINEERING CHANGES (EC's)

The cost of maintenance service shall include unlimited replacement parts and delivery. The successful Proposer shall be responsible for all costs associated with the acquisition of parts, including those parts acquired from original equipment manufacturers.

The successful Proposer must honor the original manufacturer's warranty for any equipment still covered by the manufacturer. The successful Proposer must provide an adjusted price for equipment listed on Attachments A-1 and B-1 that is currently under the manufacturer's warranty to meet the requirements of this proposal.

The successful Proposer shall maintain a parts pool to ensure that an adequate supply of repair parts is available when needed. The density of repair parts shall be determined by the successful Proposer based upon the anticipated failure rate for equipment and its components covered by this proposal. For example, the successful Proposer must maintain a pool of disk drives or floppy drives based on the determined failure statistics.

New or rebuilt original equipment manufacturer (OEM) parts are preferred when replacement parts are required. When OEM parts are not available the Legislature will accept parts certified by the Manufacturer and approved by the Legislature as replacement in kind.

If an entire device must be replaced, the successful Proposer must obtain approval from the Legislature prior to replacement.

The successful Proposer shall notify the Legislature of any engineering changes (EC's) announced by the original manufacturer of installed equipment under maintenance.

All EC's which the manufacturer considers mandatory must be communicated to OLITS within seven (7) days of determination of a mandatory EC.

Hard drives replaced in all personal computers must be returned to the Legislature for degaussing. The hard drives will be returned to the successful Proposer after the degaussing process is completed.

2.2 STANDARD HOURS OF COVERAGE

Category A. Personal computers and peripheral equipment located in Tallahassee, Florida and personal computers, servers, and peripheral equipment located in senate and house district offices.		
Months	Days of the Week	Hours
June 1 through December 31	Monday through Friday	8:00 a.m. until 6:00 p.m. ET
January 1 through May 31	Sunday through Saturday	24 hours-a-day

Category B. Windows servers located in Tallahassee, Florida		
Months	Days of the Week	Hours
January 1 through December 31	Sunday through Saturday	24 hours-a-day

The Legislature reserves the right to shift this five month time frame at its sole discretion as necessary to support the legislative session.

2.3 EXTENDED HOURS OF COVERAGE

The successful Proposer will be required to respond to all service calls placed outside the Standard Hours of Coverage. The extended coverage hourly rate, which covers labor only, shall be paid for calls placed outside the Standard Hours of Coverage, and shall begin when the successful Proposer's service personnel arrives on site. **No additional charges or travel expenses will be allowed for work performed during extended hours of coverage.** The proposal must include the hourly rate for Extended Hours of Coverage on Attachment A-2.

2.4 SUCCESSFUL PROPOSER'S SERVICE PERSONNEL

The successful Proposer shall designate a liaison who will serve as the primary contact between the Legislature and the successful Proposer. The successful Proposer's liaison shall participate in monthly and other scheduled meetings with the Legislature to review and reconcile any problems or potential problems.

The Legislature will not be responsible for providing administrative/clerical staff assistance to the successful Proposer.

The successful Proposer shall replace the liaison or any assigned technician at the request of the Legislature.

The successful Proposer's liaison shall begin working with the Legislature at least two (2) days prior to start date in order to familiarize the successful Proposer with the locations and equipment presently installed. The successful Proposer must prearrange the visits with the RFP Coordinator.

2.5 SUCCESSFUL PROPOSER SERVICE REQUEST MAINTENANCE

For both Categories A and B, the successful Proposer will provide three ways to accept and manage service requests from the Legislature. The Legislature may use any of these methods for submitting service requests:

- A central dispatch office staffed 365 days-a-year, 24 hours-a-day with a toll-free telephone number.
- An e-mail address monitored 365 days-a-year, 24 hours-a-day.
- A secure web site monitored 365 days-a-year, 24 hours-a-day.

Each service request will be given a unique reference number and used by the successful Proposer and the Legislature when reporting required information or attempting to resolve associated problems.

2.6 DETERMINATION OF NEED FOR SERVICE CALLS

As a benefit to the successful Proposer, a legislative technical analyst will make every effort to diagnose the failing part. This includes, but is not limited to, monitors, hard drives, system boards and memory. In some cases, the technical analyst will provide the successful Proposer a description of the failing part needing repair or replacement. In some instances, replacement parts may be requested by a legislative technical analyst. In these situations, the successful Proposer's technician should first perform this replacement in coordination with the legislative technical analyst. If there is a misdiagnosis, the original part must be returned to the unit and the replacement part returned to the successful Proposer. Any possible misdiagnosis by a legislative technical analyst will not result in any additional charges.

2.7 RESPONSE TO SERVICE CALLS

The Legislature will provide the location of the equipment to the successful Proposer at the time of call. The successful Proposer's technician must arrive at the equipment location within 4 (four) business hours of the call placed by the Legislature to the successful Proposer. The successful Proposer's technician must notify the legislative technical analyst upon arriving at the equipment location.

Ninety percent of all problem calls on personal computer and peripheral equipment must be completed within 8 (eight) business hours of the call placed to the successful Proposer by the Legislature. Any circumstances outside 8 (eight) business hours must be coordinated with the Legislature and, in some cases, a loaner device may be required.

One-hundred percent of all problem calls on the Tallahassee-based network servers must be completed within eight (8) business hours of the call placed by the Legislature to the successful Proposer. Any circumstances outside eight (8) business hours must be coordinated with the Legislature and, in some cases, a loaner device may be required.

Before leaving the site, the successful Proposer's technician will contact the legislative technical analyst to close the call providing a detailed resolution. If the hardware maintenance is incomplete, the technician will provide the Legislature with an estimated time of return and repair. A legislative technical analyst will verify closure of the problem.

2.8 PENALTY FOR FAILURE TO MEET REQUIREMENTS FOR RESPONSE TO SERVICE CALLS

Any response to service calls that fall outside of the requirements must be explained in written detail to the Legislature. This information will be reviewed monthly with the successful Proposer, and if not resolved to the satisfaction of the Legislature a penalty of 5% of the total monthly maintenance charge shall be assessed. Review ATTACHMENTS A through B for any unique requirements. Penalties will not be assessed during the first three months of the proposal award.

2.9 REPLACEMENT OF STATE PROPERTY TAG

It is mandatory that the successful Proposer's technician, upon determining the necessity of a replacement unit, notify the Legislature of the serial number and the state property number of the faulty unit being removed. The successful Proposer must provide the replacement unit's serial number with the manufacturer's make and model to the Legislature and remove the state property number decal from the faulty unit and affix the decal in the same general location on the replacement unit.

2.10 CALL LOGGING, TRACKING AND REPORTING

The successful Proposer shall furnish reports for a scheduled monthly meeting with OLITS which will contain, at a minimum, the number of calls taken during the month, average response time, average repair time, hold-for-parts incidents, as well as any other information requested by the Legislature. The purpose of the monthly meeting is to review the successful Proposer's compliance with the proposal requirements and allow for reconciliation before any penalties are assessed. An annual review of all submitted monthly reports will be conducted by the Legislature and the successful Proposer before additional annual awards are issued. As a part of the annual review, the Legislature may use information obtained from internal customer surveys. Sample monthly reports are attached as "Sample Charts 1-4".

The successful Proposer shall maintain a detailed service log of each call placed by the Legislature and at any time historical service log reports for equipment covered by this award may be requested. At a minimum, logs will include the following information:

- time call is received by successful Proposer
- description of the problem
- time successful Proposer's technician arrived at equipment location
- time problem is resolved
- problem's resolution

The service log shall be retained by the successful Proposer for the life of the award, and become the property of the Legislature upon award termination.

2.11 MAKE, MODEL, AND QUANTITIES TO BE SUPPORTED

The successful Proposer must assume responsibility for maintenance and/or warranty service of all equipment listed on ATTACHMENTS A-1 and B-1. The Legislature has made every effort to ensure the accuracy and completeness of this inventory data. However, the Legislature does not guarantee that every piece of equipment owned by the Legislature is included. In the event that equipment may have

been omitted from ATTACHMENTS A-1 and B-1, it will be added with an appropriate increase in monthly maintenance charges based on the cost data submitted in the ATTACHMENTS.

All internal components of a system must be covered by this award. All equipment must be repaired to the same or better configuration.

2.12 RENEWAL PRICING

The successful Proposer must provide the next year's renewal cost to the Legislature no later than May 1 of each year. The pricing must be provided in the same spreadsheet format used by the successful Proposer and the Property Management Office for inventory and billing verification.

2.13 ADDITION OR DELETION OF EQUIPMENT

During the term of the award, the Legislature shall have the right to add additional equipment of the same make and model by updating the appropriate ATTACHMENT (A-1 or B-1). The successful Proposer shall accept the equipment at the monthly rate set forth as a result of this award. The maintenance charge for additional pieces of equipment for a partial month shall be prorated during that month. The Legislature may add additional equipment of a different make and model to a particular ATTACHMENT (A-1 or B-1) at a mutually agreed upon price.

During the term of the award, the Legislature shall have the right to withdraw equipment from the award and have the cost reduced for that equipment. The maintenance charge for withdrawn equipment for a partial month shall be prorated to the number of days of maintenance coverage during that month.

The inventory of equipment to be covered by this award will be maintained by the Property Management Office and the successful Proposer using a spreadsheet software package of the Property Management Office's choice. The inventory will be separated into multiple files with each file annotating a separate billing entity. Each file will include the following information:

- Entity to Be Billed (Organization responsible for maintenance billing)
- Location ID (City or District Office where property is installed)
- Equipment Category (Classification of Product)
- Manufacturer (Company that makes the product)
- Model & Type (Name of product assigned by the manufacturer)
- Serial Number (Manufacturer's tracking number)
- Property Tag Number (State of Florida tracking number)
- Purchase Date (Date product was delivered)
- Warranty Expiration Date (Date manufacturer's warranty expires)
- Months (Number of months maintenance cost is incurred during term of award)
- Monthly Cost (Monthly billing cost for product)
- Annual Cost (Total amount to be billed during term of award)
- Transaction Code (Code directing type of action to be taken)
- Transaction Date (Date the transaction code is to take place)

The transfer of inventory data from the Property Management Office to the successful Proposer will be by an electronic method selected by the Property Management Office. This transfer will take place on a monthly basis. The following schedule will be utilized to increase the accuracy of the successful Proposer's inventory and reduce the time required for reconciliation purposes.

1st of each Month	Successful Proposer receives spreadsheet from Property Management Office and makes requested changes.
15th of each Month	Successful Proposer routes copy of spreadsheet with changes annotated to Property Management Office.
25th of each Month	Changes are reviewed and reconciled by Property Management Office. Discrepancies noted and returned to successful Proposer for update.
26th of each Month	Successful Proposer updates spreadsheet, modifies billing figures and returns final copy to Property Management Office and forwards to the Finance and Accounting Office.

Spreadsheet Requirements of Successful Proposer:

The total estimated fiscal year billing will be printed on the first page of each spreadsheet. The revised billing after changes will be posted on the last page of each spreadsheet each time the billing estimate changes.

The successful Proposer shall provide separate billing invoices for the following 13 entities: Senate Local, Senate District, House Local, House District, Legislative Branch Lobbyist Registration, Combined Lobbyist Registration, Office of Legislative Information Technology including OLS, Joint Administrative Procedures Committee, Legislative Committee on Intergovernmental Relations, Technology Review Workgroup, Public Counsel, Commission on Ethics and the Executive Branch Lobbyist Registration.

Changes to each spreadsheet will remain for the duration of the billing period, providing a historical record of modifications made during the billing period.

The Following Numeric Codes Will Convey to the Successful Proposer the Type of Action to Be Taken on a Record.

- Codes:
- 1 - Add machine to maintenance
 - 2 - Delete machine from maintenance
(Maintenance provider will have grace period of 30 days from the date requested to terminate billing).
 - 3 - Other / Special Information needed
 - 4 - Change / Transfer to another entity
 - 5 - Change / Transfer from another entity
 - 6 - Serial Number Change

The successful Proposer must honor the original manufacturer's warranty for any equipment still covered by the manufacturer. The successful Proposer must provide an adjusted price to the warranty to meet the requirements of this proposal.

2.14 PROBLEM ESCALATION

Prior to the award start date, the successful Proposer will provide escalation process documents to the Legislature. The documents will contain activity descriptions, contact names and numbers, and a flowchart representation of the process.

Technical Escalation for the Proposer’s Technicians

The escalation process will document the steps the successful Proposer’s technician will use to get assistance in problem determination or resolution.

Management Escalation for the Legislature

The escalation will document the steps a legislative contact will use to escalate problems within the successful Proposer’s organization.

2.15 NO EXTRA CHARGE

No inspection, certification or any other fees will be charged to the Legislature for any equipment covered by this award.

There shall be no additional charge if a successful Proposer’s technician assists in the diagnosis of a problem.

2.16 SERVICES AND ESTIMATES

The successful Proposer may be asked to provide estimates for service on equipment not covered under the general scope of this RFP. In such case, the Legislature will provide a detailed requirement and the successful Proposer may provide a repair estimate at no cost. Upon receipt of the repair estimate, the Legislature will make the determination whether to proceed with the repair on the equipment.

2.17 SUMMARY OF RESPONSIBILITIES

Responsibilities	LEG	Successful Proposer
Make every effort to diagnose problems prior to calling for service.	X	
Provide an inventory list of equipment to successful Proposer.	X	
Notify successful Proposer of additions or deletions to equipment inventory.	X	
Timely communicate proposed equipment to be added to maintenance to allow vendor to stock parts and train or adjust staff accordingly.	X	
Designate a liaison who will serve as the primary contact with the Legislature's personnel.		X
Provide a central dispatch office staffed 24 hours a day, 7 days a week with a toll-free telephone number which the Legislature will use in placing all maintenance calls.		X

Arrive at the equipment location within four (4) business hours of the Legislature's call to central dispatch. Notify legislative technical analyst upon arriving at the equipment location.		X
Resolve problem calls within eight (8) business hours of the Legislature's call to central dispatch.		X
Provide a mutually acceptable problem escalation procedure.		X
Provide the Legislature with a written monthly report of all service calls as described in Section Call Logging, Tracking and Reporting.		X

Please consult specific areas for more details of responsibilities.

3.0 REQUIRED PROPOSAL DOCUMENTATION

3.1 ECONOMY OF PRESENTATION

The proposal must be prepared as outlined below. Evaluation points for each section will be assigned based on information submitted for that section; therefore, be sure to include all information that you wish to have considered for evaluation as part of the outlined section. Information submitted in any other format other than the official proposal form described below may not be reviewed or considered as part of the section. Emphasis in each proposal must be on completeness and clarity of content. In order to expedite the evaluation of proposal responses, it is essential that Proposers follow the format and instructions contained herein.

3.2 PROPOSAL FORMAT

This section prescribes the format of the proposal responses that are to be submitted. There is no intent to limit the content of the response. Additional information deemed appropriate by the Proposer may be included. However, cluttering the proposal with irrelevant material makes the evaluation more difficult. The following contains instructions that describe the required format for proposal responses.

- Proposals shall be limited to an 8.5" x 11" page size.
- Fold out pages may be used, where appropriate, but should not exceed 5% of the total number of pages of the entire proposal.
- The type size shall not be less than a "12-point" font.
- All pages shall be sequentially numbered.
- If existing financial reports, documents, or brochures do not comply with the just prescribed format, they will be acceptable in current form and need not be reformatted.
- Questions and requests for information may not be rearranged, regrouped, or divided in any way.
- Proposals shall not refer to electronic media such as a website in order to obtain the required information or submittals.
- Technical proposals must be submitted containing the documentation required from Section 3.3, Mandatory Forms and Certifications, Section 4.2, Service Delivery References and Section 4.3, Corporate Qualifications.
- Cost proposals must be submitted containing the documentation required from Section 4.1, Cost Information.

3.3 MANDATORY FORMS AND CERTIFICATIONS

This section shall include the following forms: Items a, b and c may be completed in a single letter on company letterhead.

- a) Certification of Service - The Proposer shall include in this section a certification letter (on company letterhead) that states the Proposer is the original provider of the requested services, or is an authorized agent for the provider.
- b) Certification of Service Locations - The Proposer shall include in this section a certification letter (on company letterhead) stating that, at the time the proposal is submitted, the Proposer has existing established service centers staffed with personnel trained to service equipment covered by the award.
- c) Compliance with Terms and Conditions - A statement on company letterhead that the Proposer will comply with all terms and conditions as indicated in the proposal. If the Proposer cannot comply with all the terms and conditions, any deviations from the detailed specifications and requirements must be identified and explained. The Legislature reserves the right to reject any proposals containing such deviations or to require modifications before acceptance.
- d) Warranty Certifications (Section 1.10 See Attachment 4)
- e) The Request for Proposal cover sheet filled out and signed.
- f) The Non-Collusion Statement Form. See Attachment 2 for details.
- g) The Disclosure Information Sheet. See Attachment 3 for details.

3.4 NUMBER OF COPIES

An original version and four (4) copies of completed proposals must be submitted containing an original signature of a company official with the power to bind the company. The Proposer must provide one CD-ROM copy in PDF format of the Technical Proposal and one CD-ROM copy in PDF format of the Cost Proposal.

4.0 EVALUATION CRITERIA AND PROCEDURES

An Evaluation Team composed of at least three (3) individuals representing the Legislature will be responsible for evaluating all proposals. The evaluation process will encompass the following steps:

1. The Purchasing Office will review all proposals submitted to ensure that each Proposer has met all the minimum requirements as stated in the RFP. A Proposer who does not meet all the requirements determined by the Evaluation Team will be eliminated from further consideration.
2. The Purchasing Office will determine the cost points based on the Evaluation Criteria and Procedures as indicated in section 4.1 below. The Proposer having the lowest Cost Proposal will receive the maximum number of points. Each of the remaining Proposers will receive points based upon the ratio of the lowest Cost Proposal and their Cost Proposal.

3. The Evaluation Team will rate the proposals based upon previously established fair and objective criteria listed below.
4. The points awarded for the Service Delivery References and for the Corporate Qualifications will be added to the totals for cost. Based upon the results of its ratings, the Evaluation Team will submit the top Proposer(s) for approval to award. All proposals will be evaluated based on the areas of criteria and points:

Evaluation Criteria	Maximum Points
1. Cost	55
2. Service Delivery References	30
3. Corporate Qualifications	15
Total Possible Points	100

4.1 COST INFORMATION

The Proposer shall submit **a separately labeled and sealed cost quote envelope for each response** to ATTACHMENTS A and B, containing the completed corresponding **Annual Cost Forms** (ATTACHMENTS A-2 and B-2) and **Inventory Listings** (ATTACHMENT A-1 and B-1). By submitting an offer, each proposer warrants its acceptance of its pricing schedules and all terms and conditions of this RFP. Any qualifications, counter offers, deviations, or challenges to the terms and contents of this proposal may render the proposal non-responsive.

Points for cost will be determined by taking the lowest proposal total cost response per ATTACHMENTS A-2 and B-2 and dividing that proposal cost by each additional proposer's cost per ATTACHMENTS A-2 and B-2 and multiplying by the maximum points. Low Proposer will receive the maximum points.

$$\frac{\text{Low Proposer Cost}}{\text{Your Proposal Cost}} \times 55 = \text{Awarded Points}$$

Example:

$$\frac{\$100,000}{\$150,000} \times 55 = 36.67 \text{ Points}$$

4.2 SERVICE DELIVERY REFERENCES

References shall be provided by the Proposer with descriptions of similar services performed in comparable environments. The Proposer shall furnish at least five (5) different client references, one of whom must be based in Florida. Each reference shall be for a different client rather than multiple maintenance awards for one client. Each reference shall be submitted using ATTACHMENT 1 "Reference Submission Form". References submitted using a format other than ATTACHMENT 1 will not be considered and no points will be awarded.

A contact person referenced on ATTACHMENT 1 shall be someone who has personal knowledge of the Proposer's performance during the referenced maintenance award. The right is reserved to contact references not listed in the proposal.

Scores will be determined by adding all scores derived from references based on the following points outlined below with a maximum of 30 points awarded to the highest responsive Proposer.

Each Proposer will be rated with the following points system:

- 1 point: Poor
- 2 points: Fair
- 3 points: Satisfactory
- 4 points: Above Satisfactory
- 5 points: Excellent

How would you rate the vendor's response time to problems relative to the contract?
(1 - 5 points)

How would you rate the vendor's problem resolution time relative to the contract?
(1 - 5 points)

How would you rate the vendor's professionalism of technical staff?
(1 - 5 points)

How would you rate the vendor's escalation procedures for problems not resolved by technical staff?
(1 - 5 points)

How would you rate the vendor's ability to take on new types of equipment?
(1 - 5 points)

How would you rate the vendor's overall service delivery?
(1 - 5 points)

The Proposer with the highest score will receive the maximum points. Points for references for other Proposers will be determined by dividing each Proposers score by the highest score and multiplying that number by the maximum points provided for in this section.

$$\frac{\text{Your Score}}{\text{Highest Score}} \times 30 = \text{Awarded Points}$$

Example:

$$\frac{75 \text{ points}}{100 \text{ points}} \times 30 \text{ points} = 22.5 \text{ Points Awarded}$$

4.3 CORPORATE QUALIFICATIONS

The purpose of this section is to provide the Legislature with a basis for determining the Proposer's financial strength and background experience for undertaking this proposal. A concise, but thorough, description of relevant qualifications is desired.

Scores will be determined based on the following criteria with a maximum of 15 points.

Proposers must include the following in their proposal response:

- a) Financial Statements. A corporate balance sheet and statement of income for the applicable legal entity(s) for each of the last 2 years shall be provided.
- b) Background information shall cover:
 - 1. Date established. Proposers must have been in the information systems maintenance business for at least 3 years;
 - 2. Ownership (public company, partnership, subsidiary, etc.);
 - 3. Primary business;
 - 4. Total number of employees;
 - 5. Number of personnel engaged in activities relevant to this RFP.
- c) Certifications/Service Authorizations. The Proposer shall provide proof that the company is certified and/or authorized by original equipment manufacturers to perform service on each type of equipment covered by this award.

Personal Computer and Peripheral Equipment in Tallahassee and District Offices

The Legislature's Tallahassee desktop environment currently consists of approximately 676 networked personal computers with manufacturers including, but not limited to, DELL and LENOVO. There are also approximately 110 network/desktop laser printers, 11 inkjet printers, and 21 multifunction devices in use in all locations with manufacturers including, but not limited to, Hewlett Packard. Other types of equipment include, but are not limited to, facsimile machines, external/internal hard drives, Uninterruptable Power Supplies, tape drives, CD ROM, DVD drives, and scanners. The local Tallahassee equipment is primarily housed in the Capitol Complex.

There are 40 members of the Senate and 120 members in the House of Representatives. The elected members of the House and Senate have offices located in their respective districts in the State of Florida. Senate and House District Office addresses are listed in ATTACHMENT C. Each member also has an office in the Capitol Complex in Tallahassee, Florida. Staff from the District offices bring their assigned notebook computers to Tallahassee for committee meetings and the Legislative session. Each Senate district office has a server.

Proposer must assume responsibility for maintenance and/or warranty service of all equipment listed in ATTACHMENT A-1. The Legislature has made every effort to ensure the accuracy and completeness of this data. However, the Legislature does not guarantee that every piece of equipment owned by the legislature is included. In the event that equipment may have been omitted from ATTACHMENT A-1, it will be added to the award by amendment with an appropriate increase in monthly maintenance charges based on the cost data submitted in ATTACHMENT A-1.

All internal components of a system must be covered by this award. All equipment must be repaired to the same or better configuration.

Coverage Requirements

All required services under ATTACHMENT A are as defined in section 2.0 Scope of Services with the following changes:

Standard Hours of Coverage

Coverage for equipment installed in or brought to Tallahassee from January through the end of May will be 24 hours a day, 7 days a week. The Legislature reserves the right to shift this five month time frame at its sole discretion.

ATTACHMENT B

Tallahassee Based Network Servers

The Legislature's network servers are mission-critical systems that operate 365 days per year, 24 hours per day. There are approximately 107 servers and associated peripherals in this attachment.

Proposer must assume responsibility for maintenance and/or warranty service of all equipment listed in ATTACHMENT B-1. The Legislature has made every effort to ensure the accuracy and completeness of this data. However, the Legislature does not guarantee that every piece of equipment owned by the legislature is included. In the event that equipment may have been omitted from ATTACHMENT B-1, it will be added to the award by amendment with an appropriate increase in monthly maintenance charges based on the cost data submitted in ATTACHMENT B-1.

All internal components of a system must be covered by this award. All equipment must be repaired to the same or better configuration.

Coverage Requirements

All required services under ATTACHMENT B are as defined in section 2.0 Scope of Services with the following changes:

Standard Hours of Coverage

The successful Proposer shall respond 24 hours a day, 7 days a week to all service calls.

Response to Service Calls

100% of all problem calls must be resolved within eight (8) business hours of the Legislature's call to central dispatch. Any circumstances outside eight (8) business hours must be coordinated with the Legislature and, in some cases, a loaner device may be required.

ATTACHMENT D PROPOSAL CHECKLIST

This checklist is provided to assist each Proposer in preparation of its response. Because this checklist is just a guideline, the Proposer must read and comply with the RFP in its entirety.

Check off each of the following:

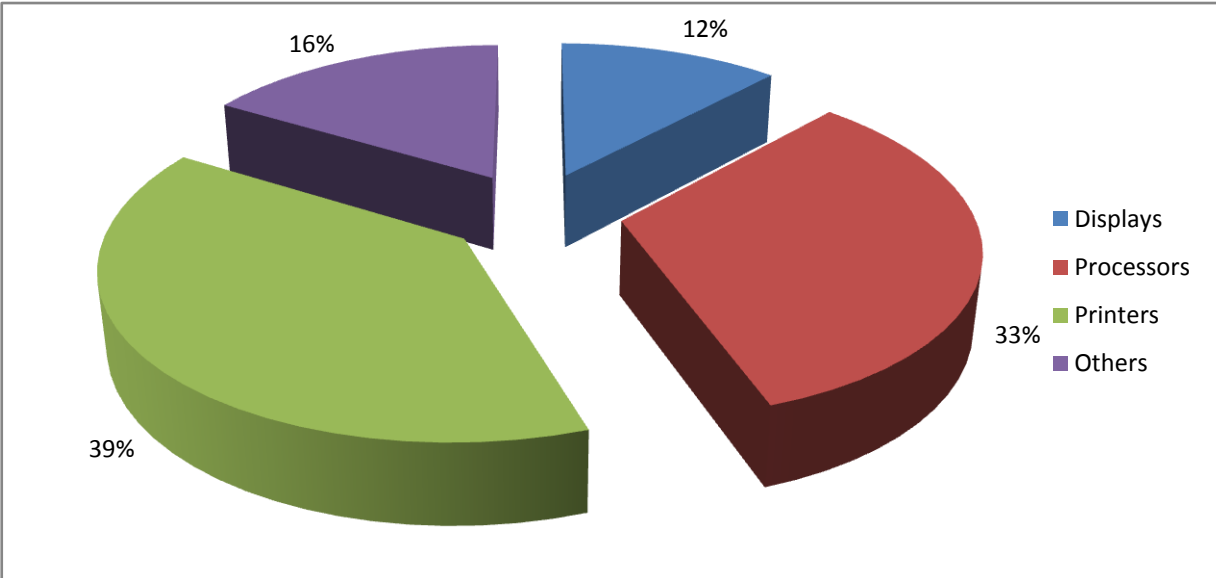

- 1. The Original Proposal has been manually signed and completed, with sufficient copies
- 2. The following have been included and signed if required:
 - Proposal Cover Sheet
 - On company letterhead (may be included in one letter) the following information:
Certification of Service, Certification of Service Locations, and Compliance with
Terms and Conditions as specified in Section 3.3, Mandatory Forms/Certifications
 - Financial Statements
 - Background Information
 - Certifications / Service Authorizations
 - Reference Submission Forms, Attachment 1 (make copies as required)
 - Non-Collusion Statement Form, Attachment 2
 - Disclosure Information Sheet, Attachment 3
 - Warranty Certification, Attachment 4
 - Cost Information (separately sealed envelope)
- 3. Proposal submitted in sufficient time to assure receipt prior to proposal opening.

This is submitted as a guideline only and in no way relieves the Proposer of the responsibility of ensuring compliance with all requirements of these specifications.
