Feel free to fax your proposal to Mr. Chris Swanson's attention at the fax number above. You can also send an email with the same information included in it to Mr. Swanson at the email address above.

Project Proposals are simply ideas in progress not ideas in stone. Don't feel you need to address every single detail of your thinking in this initial proposal. This is just an initial starting place.

Mr. Swanson will be in touch with you shortly after receiving your proposal. We look forward to exploring the possibilities you propose to help benefit students by maximizing their learning in a connected world!
