ENERGY STAR Home Rebate

In order to receive your rebate, your home must meet all the ENERGY STAR Home requirements listed below:

- Sealed and tested duct system
- Qualified and installed ENERGY STAR dishwasher
- Qualified light bulbs and fixtures in at least 80% of the sockets
- High efficiency insulation
- Qualified windows and high performance doors
- Properly installed and tested heating and cooling system

In order to receive your rebate, your home must be approved by a certified ENERGY STAR® verifier that has contracted with Benton PUD and receive an Energy Star Home Certification Label, issued by the State Certifying Organization.

Rebate: \$1,000

By signing below, I certify that all information listed above is true and correct and the site address is in the Benton PUD service territory. I attest that I have not previously applied for or received a rebate for the ENERGY STAR home listed above. I understand that Benton PUD reserves the right to verify ENERGY STAR home certification and that completion of this form does not guarantee my rebate. I acknowledge that Benton PUD's ENERGY STAR Home Program is subject to change and funding availability.
