Statement of Request

Purchase of DELL Power Edge 2800 Server, DELL PowerVault 132t Tape Library, and Symantec Backup Software to replace and upgrade our current Electronic Document Imaging System (EDIS) Backup System. Our current EDIS Backup System of all programs and data which we run weekly on Saturday and Sunday afternoons is now taking up to 24 hours to complete due to the present size of the data which now totals approximately 5.2 M pages, and which will grow to approximately 8.5M pages within a few months.
