4.3	The institution or program must have a fellow service policy that includes, at minimum: how the program defines fellow workload; how the program ensures protected educational time for the fellows; and how the policy is monitored and enforced.	Review fellow service policy. It must address all areas for the standard to be met. ACOI annual fellow report (service vs. education question) provided by ACOI Fellow evaluations of rotations	3					
Program Director Comments:								
Site Reviewer Comments (describe not met or met with excellence):								
4.4	The institution or program must have a code of conduct for faculty and fellows.	Code of conduct. Evidence that the faculty and fellows receive the policy (signature page and email or other electronic audit trail) Interview faculty and fellows as to knowledge of policy.	1					
Program Director Comments:								
Site Reviewer Comments (describe not met or met with excellence):								

STANDARD		SUGGESTED DOCUMENTATION / INTERVIEWS FOR VERIFYING COMPLIANCE	Point Value 1, 2 or 3	Pre-Site Visit (Program Director Self Study) Met	Not Met	Current Review (Site Reviewer) Met	Not Met	Prior Review Met
4.5	The institution's department of internal medicine must have at least two (2) physicians certified in the applicable internal medicine subspecialty by the AOA or the American Board of Medical Specialties (ABMS).	Faculty roster. This should show board certification. Faculty CVs should be available as well.	1					
Program Director Comments:								
Site Reviewer Comments (describe not met or met with excellence):								
4.6	The program must maintain and annually update a program description that includes, at minimum: The program description elements required in the AOA Basic Documents for Postdoctoral Training; and goals and objectives of the training program; curricular and rotational structure; description of ambulatory continuity experience; program director responsibilities; and fellow qualifications and responsibilities.	Program description. It must meet both this standard and the AOA Basic Documents for Postdoctoral Training for program description.	3					
Program Director Comments:

B. Transfers and Advanced Standing								
5.3	The program must receive written verification of previous educational experiences and a statement regarding the performance evaluation of a transferring fellow prior to acceptance into the program.	Fellow files for any fellow who transferred into the program and/or requested advanced standing since the last inspection and verify that advanced standing was granted.	1					
Program Director Comments:								
Site Reviewer Comments (describe not met or met with excellence):								
5.4	The program is required to provide verification of fellow education for fellows who may leave the program prior to completion of their education.	Fellow files for any fellow who transferred out the program	1					
Program Director Comments:								
Site Reviewer Comments (describe not met or met with excellence):								

STANDARD		SUGGESTED DOCUMENTATION / INTERVIEWS FOR VERIFYING COMPLIANCE	Point Value 1, 2 or 3	Pre-Site Visit (Program Director Self Study) Met	Not Met	Current Review (Site Reviewer) Met	Not Met	Prior Review Met
5.5	Advanced standing for applicable ACGME-approved internal medicine subspecialty training must be approved by the ACOI Council on Education and Evaluation upon request of the program director and fellow. Approval will be granted on a case-by-case basis.	Fellow files for any fellow who transferred into the program and requested advanced standing since the last inspection. Verify that advanced standing was granted.	1					
Program Director Comments:								
Site Reviewer Comments (describe not met or met with excellence):								
C. Osteopathic Philosophy and Osteopathic Manipulative Medicine								
5.6	Training in osteopathic principles and practice must be provided in both structured educational activities and clinical formats.	Lecture schedules, journal club and/or book club topics. Chart review of both inpatient and clinic charts, looking for evidence of documentation of osteopathic assessment and treatment. Program description Interviews with program director and fellows.	3					
Program Director Comments:
