Statement of Understanding - Review the completed application and read the section below carefully before signing.

I personally completed this application. I represent that the answers and statements on it are true, complete, and correctly recorded. I understand and agree that:

- This application and the initial payment do not give me immediate coverage.
- (2) I will be the sole source of payment of premium. There is and will be no direct or indirect contribution or reimbursement by or on behalf of any health care provider, health care provider sponsored organization, employer, business, or any other entity for any portion of the premium for coverage under this policy, unless specifically approved in writing by UnitedHealthcare. If self-employed, I may use a business check for my personal insurance.
- (3) I should not terminate existing coverage until I have accepted the UnitedHealthcare Life Insurance Company coverage.
- (4) Incorrect or incomplete information on this application may result in voidance of coverage and claim denial.
- (5) This completed application, and any supplements or amendments, will be a part of any policy, if issued.

- (6) The broker may only submit the application and initial payment, and may not promise me coverage, modify UnitedHealthcare Life's underwriting policy or terms of coverage, or change or waive any right or requirement.
- (7) I represent that I have made such investigations as are necessary to assure the truth and accuracy of all statements made in this application regarding all listed dependents.
- (8) If UnitedHealthcare Life rejects this application, under no circumstances will any benefits be payable. Receipt of money, cashing of my check, or charging my credit card by UnitedHealthcare Life does not constitute approval of my application or create UnitedHealthcare Life coverage.
- (9) I must select a primary care physician. If I do not select a primary care physician, one will be assigned to me. Benefits may be reduced if I see a specialist without a referral from my primary care physician.
- (10) The policy requires some medical services to be authorized by UnitedHealthcare Life or its representative before the services are provided, and benefits for these services may be reduced if the prior authorization is not obtained.

I have received a Notice of Information Practices and a Conditions Prior to Coverage.
