“\*” These 2 games are used to determine Tournament #6 winner and MVP, but not for conference standing.

Team 9 plays 4 games and the other teams play 3 games. To determine the winner and MVP for Tournament #6, the results for game 4-9 or 5-9 must not be counted for Team 9. This will be determined by a coin toss after these 2 games are played.

Every team plays in 4 of the six tournaments

Each team plays every other team exactly 2 times for conference standing.

29 rounds of questions and 6 plaques tournament champion plaques (and 6 MVP plaques) are needed.
