Phone: (805) 549-3237 or 549-3189

FOR IMMEDIATE RELEASE

CONCRETE REPAIRS ON CASTILLO STREET NEAR U.S. HIGHWAY NEXT WEEK

SANTA BARBARA – A full 48-hour closure of the eastbound lanes of Castillo Street at US Highway 101 will begin on **Tuesday, Dec. 15 at 9 am through Thursday, Dec. 17 at 9 am** for concrete repair work. One lane will remain open in each direction via the westbound lanes on Castillo Street.

In addition, **the southbound US Highway 101 on-ramp at Castillo Street will be closed during this time.** Motorists may detour by using Yanonali Street to State Street.

This project includes the use of interlocking pavers allowing the groundwater to drain while providing a smooth driving surface for motorists and cyclists and reducing the need for ongoing maintenance.

The contractor for this \$873,000 project is Peterson Chase Construction of Irvine, CA. Caltrans wishes to thank the community for their patience during this project.

Caltrans reminds motorists to move over and slow down when driving through highway construction zones.

For more information on this project and for traffic updates on other Caltrans projects in Santa Barbara County, residents may call the District 5 toll free number at 805-568-0858 or visit our website at: <http://www.dot.ca.gov/dist05/paffairs/release.htm#>
