Date: November 12, 2014
To: Beaver Dam Area Businesses and Non-Profit Organizations
From: The Beaver Dam Chamber of Commerce
Subject: Community Events: 2015 Calendar of Events Information

It's that time again! The chamber is in the process of creating the 2015 Beaver Dam Events Calendar and we need your information.

Once we have your information we promote your event in the following ways:

- If it is a large public event, send it to the Wisconsin Department of Tourism for their printed and online events calendars.
- If it is a public event, list it on the Chamber's online *List of Upcoming Events*.
- If it is a public event, and as time allows, discuss it on the monthly Community Comment radio show on WXRO.
- If it is a public event, list it on the LocaLeben & Discover Dodge Calendars
- Large and small public events will be printed, on demand, as a hard copy *Calendar of Events* for the public.
- Send your event information to individuals inquiring about the community.

If you are updating an annual event, just email us with the new date and any other changes

*Return the forms or Email the info to us at info@beaverdamchamber.com
Or better yet, add your own directly on the Chamber's Website*

Please complete the reverse side of this page and then complete the page that follows, indicating the months in which you have an event. Please use one space per event. Copy as many pages as you need. If you can email the Chamber your information, please follow the exact format of the printed forms that follow.

Please return this form ASAP and keep updating us throughout the year.

Please note: Information on events that are forwarded to the chamber at any time after the deadline above can still be added to the online and print versions of the 2015 events calendar; they will just not be in the initial versions. PLEASE continue to update the office as new events or revisions to events occur.
