mitigate some of these cuts in order to ensure that we are able to provide the same core program that is offered at every school. Staffing at the K-5 level will remain relatively stable. Once everything is set early in May I will be sharing with you a more detailed look at what next year will look like. I am working closely with our Foundation and PTA boards to determine how to best leverage our funds for next year.

The Used Book Sale was a huge success this year!!! Thank you first and foremost to Jet Griffith for all of the organization and back breaking work it took to pull off the sale. Secondly thank you to everyone who donated books and came to shop. I saw a lot of happy shoppers leaving the gym. Not only does this event provide valuable resources to keep our library current and stocked, it also promotes reading in our community. Thank you!! At last count we have exceeded \$3,000, our most successful sale to date!!!

Last week one of our Skyline students was honored at the district level for her leadership and academic work. Amelie Baker in Ms. Hanson's  $\frac{2}{3}$  classroom was honored along with 24 other students from around the district at a ceremony highlighting our Young, Black and Gifted students. She was selected from a group of over 150 applicants. Congratulations to Amelie and her family!! Thank you to

Mrs. Hanson for taking the time to nominate her for this honor.

Spring cleanup is just around the corner. Please join us on Sunday, May 5th from 9:00 to 1:00 to clean up the gardens, shine up the outdoor eating area and continue the native plants work. If you love to garden or need community service hours (for our middle school students) come and join us!!!

Have a great week!

Warmly,  
Jill Sage

### From the Principal

Greetings!

Spring has sprung this week which means it is time to shift some focus to next year. We have received our staffing for next year from the district. Although we are in a relatively "stable" funding situation as a district our situation at Skyline is slightly different. Due to a decline in enrollment, primarily in the middle school program, as well as a shift in how schools are funded per students our teacher allocation has been reduced by about 1.2 teachers. We did, however, receive a half time teacher allocated to support Arts education. The Lincoln cluster has chosen to focus on music instruction as our Arts focus. We will be looking for a certified music teacher to support both our K-5 program and our middle school program. I am working with central office staff to help

## Scrip Is Easy! And Costs You Nothing to Participate ...!

Buy gift cards for places that you normally shop and the school gets credit! It costs you nothing to participate! Just buy select gift cards from the attached list at face value. Redeem and enjoy! In the meantime, the school earns a percentage of whatever you spend. It's that easy! See the attached flyers for more information. Complete the **attached order form**, and submit along with full payment in the scrip drop box across the hall from the School Office. Scrip will be offered all school year. Orders are placed weekly. Get your orders in by end of school on Monday and Scrip will arrive at the school

Thursday. **Next deadline is Monday, April 29 at 3:00 pm!**

Don't want to complete a new form each month for the same order? Consider completing one order form, indicate that this is a repeating order, then set up an auto-payment from your checking (i.e. monthly bill pay) to be sent to Skyline School, 11536 NW Skyline Blvd, Portland, OR 97231. In the memo indicate: Skyline Scrip. We'll fulfill your order each month as payment is received. Thank you for supporting Skyline School with your regular shopping dollars!

## SOLV

Thanks to 74 volunteers working together in preparation for the neighborhood SOLVE clean-up day, and showing up last Saturday from 8-2, we collected 3,350 pounds of garbage and 26 tires from our streets through and around Forest Park. It was our average amount of waste, fewer tires, and more volunteers than ever. Our neighbors and Skyline students showed up by the dozens as you will see in the photos on the Forest Park Neighborhood Association Facebook page. One of our local Girl Scout troops, led by Penny Wolf & Deb Meskimen, registered volunteers, picked up trash, and cleaned up the gathering site afterwards. Elemental Technology, Walker Garbage & Recycling, Pacific Pressure Washing, and Skyline Memorial Gardens sent volunteers and donated essential resources for the event.

Click on the link below to see photos. You do not need to be "on Facebook" to see the link.

## May is Walk and Bike Month

Walk and Bike Challenge Month enables students, parents, teachers and community leaders raise awareness of the advantages of walking and cycling. Healthy families using active transportation benefit everyone by reducing air pollution, healthcare costs and by increasing neighborhood livability.

In the month of May students are challenged to walk and bike as often as possible. In other schools students are challenged to walk and bike to school but in the Skyline Community that is not possible due to distance and lack of sidewalks. However the Skyline children do have access to some of the best trails in the area so the children can take part in the challenge by exploring Forest Park and other local trails with their families and friends. The program is optional and done outside school hours and is a good excuse to get outside, a little fitter and play a little less video games.

The walking and biking trips are recorded on a sheet handed out to the students at the start of the month. There will be a few extra on the shelves outside the office. Hand your sheet into the office at the end of May to receive a prize.

Adult Volunteers Required - Can you take some students out for a walk or cycle in May? It doesn't have to be the whole school. Your student and their friends is a good start. But I'm hoping to have a few "official" walks during the month to encourage the students to get outside. I have incentive prizes to give out to anyone who goes out with a group.

## **Staff Appreciation Week- May 6-10**

### **Mark your calendars and volunteer to help!!**

We are planning to say Thank You to our great staff in a variety of ways and we need YOUR help! Please review this list and let us know how you can help. Or watch for the Sign up Genius link coming soon to sign up online.

We are excited to clean up and restock the Staff Lounge. We need donations of forks, knives, spoons, glasses and bowls. Current magazine donations would be great, as well as tea, individual coffee packets and soup packets. Flowers during the week to brighten up the lounge would be very welcome. If you would like to come help clean up the Staff Lounge, join us Friday, May 3 from 1-3 pm.

Volunteers are needed to provide Snacks, Desserts and Drinks daily for the week. The staff loves HOMEMADE goodies! Store bought works too as long as it's extra special! Sparkling waters, sparkling juices, Coke and diet drinks are very popular. These could be brought in throughout the week or even the week of April 29-May 3.

Tuesday the PTA will be hosting a lunch for the Staff. Donations are needed as well as help setting up and cleaning up. Please contact Kristin Rader (we are currently looking for a coordinator for this lunch).

Wednesday Miss Sage will be providing lunch for the Teachers. We need donations/volunteers to bring food, assemble, set up, and clean up lunch.

Friday we'll do custom picnic lunches. Each lunch will be created by a volunteer family for a specific teacher or staff member. These lunches are VERY special and customized to each teacher's preference (so be sure to ask before you assemble your picnic lunch). This is really fun and the teachers loved it last year! We will need 32 lunches. If you are interested in sending a special lunch or two for a teacher on Friday, please let Caryn know and she will reserve that teacher for you. The list of staff members and teachers will be available via Sign Up Genius in the next few days.

Flowers and Vases for room teachers are a Skyline tradition and it's great to see flowers everywhere to brighten their days. Please let your room parent know if you can bring in flowers during the week for your teacher. Homegrown or store-bought are wonderful!

Kids can express their gratitude all week long! Please have your Skyline students take a little time to make a special card for their teacher thanking them and bring it May 6-10.

We also have some other fun things planned like coffee and tea for the staff on Monday morning.

If you can help in any area with volunteering of your time or donations, please let Caryn/Kristin know and we'll get everything organized for the best Staff Appreciation Week yet. All nonperishable items can be this week under the table in the volunteer room. Just attach a sticky that indicates it's for Staff Appreciation Week and your name so the teachers know who to thank.

Watch for the Sign up Genius Link so that you can sign up online.

Thanks,
