

Toll Middle School
PINK PANTHER CORE
Letter of Introduction & Signature Form

Dear Pink Panther Students and Parents,

Welcome to Toll Middle School! We are truly looking forward to working closely with our Pink Panther parents and becoming better acquainted with our students. Please read the attached information about our core, sign the necessary forms, and return them to school with your child by Friday, August 14, 2015.

Pink Panther teachers encourage and welcome parent communication. We would appreciate having our students' parents email us with questions or concerns as soon as possible, so that we can respond promptly. Emailing is the most efficient way to contact us and monitor your child's progress. You may email us directly by using our school email addresses, or you may also email us through the school website. (See "Pink Panther Core Information" for details.)

Please be sure to check the Pink Panther Core webpage as it contains important information and documents, like the Pink Panther Core Information sheet and Parent Communication Guide, which parents and students must read prior to signing the Pink Panther Signature Form below. The Toll Middle School website is the only way to access our Core webpage.

We are excited about this school year and the opportunity to work with your children. We hope you will contact us with any concerns you may have about your child's success at Toll.

By checking (✓) the items on the list below, my son/daughter and I are indicating that we have read and understood the Pink Panther Core policies, information, and expectations.
