The LSU AgCenter, Louisiana Council of Farmer Cooperatives (LCFC), Family, Career, and Community Leaders of America (FCCLA), and Future Farmers of America (FFA) are partnering up to promote the 2013 Youth Co-op Leadership Conference at Camp Grant Walker in Pollock, Louisiana. Campers must be in 8th – 12th grade to attend the camp. Campers who attend the camp will share and learn techniques and resources with other teen leaders and professional business and women. The St. Charles 4-H Foundation has funding to assist with costs for attending this conference. To qualify for funding assistance, youth must submit application by Friday, March 15, 2013, to the St. Charles 4-H Office. Preference will go to first-time attendees.

The basic cost for Camp is \$30. If you are interested in attending the Youth Co-op Leadership Conference this April, you need to complete the Camp Application Form and return it by **Friday, March 15, 2013**, to the St. Charles 4-H Office. You must include a **\$30.00 fee** with your application. If you have concerns affording the cost of camp, please contact the 4-H Agent at 985-785-4473.

****Since Youth Co-op Leadership Conference will be held during the school day, your child will need to complete a “Request for Excused Absences Travel for Educational Purposes Application Packet” from the school principal and have the principal approve the trip before attending the event. (This is for St. Charles Parish Public Schools only.)** Please contact Mrs. Kali Zammit at 985-785-4473 for more information regarding the new absentee policy for the St. Charles Parish Public School System.

Once you have sent in your Application Form, you will receive a letter from the 4-H Office. This letter will contain important information about camp as well as a Health Form for your child that you will have to complete and return to the 4-H Office.

If you have any questions or would like a sample agenda of the activities being conducted at the Youth Co-op Leadership Conference, please contact me at the 4-H Office at 985-785-4473 or via e-mail at kzammit@agcenter.lsu.edu.
