Subject: Medi-Go Service Agreement

---

### Background

Attached is the annual agreement with Troy Medi-Go for 2011-12. We have had this agreement with Medi-Go since 1998 which states that the City will fund Medi-Go with entire municipal and community credits received from the Suburban Mobility Authority for Regional Transportation (SMART).

Municipal credits are state authorized funds that are given directly to SMART to be divided among every city, township and village in Oakland, Wayne and Macomb Counties on a per capita basis. Community credits are a direct result of the SMART millage that provides opt-in communities with additional funds. Troy's municipal and community credit dollars have been used to support the community based Troy Medi-Go Plus service. Medi-Go Plus provided almost 14,000 rides to senior and disabled residents in 2010.

The 2011-12 budget includes estimated Troy Medi-Go funding. The entire amount of municipal and community credits received from SMART are allocated for Medi-Go. In 2010-11, the amount was \$186,816.

Funds are available in the senior account. This money will be forwarded in its entirety to Medi-Go in July. The City is then reimbursed on a quarterly basis.

### Recommendation

It is recommended that the City Council approve the agreement with Troy Medi-Go Plus authorizing funding, which will be reimbursed with municipal and community credits from SMART.
