State of Mississippi, do hereby make application for a permit to train bird dogs through the use of release of pens and tamed and identified quail.

I understand that this permit shall not be construed to authorize the carrying of a gun while working dogs on wild quail during the closed season, or on wild quail from May 1st to September 1st, inclusive.

I further understand that only after permission and proper identification by dye or leg bands, tamed quail may be possessed, released, hunted, shot and killed or retaken for shoot-to-kill field trial and dog training activities using release or capture pens during any season of the year. The permit or permit number will be attached at all times to each release or capture pen.

List localities where you desire to work dogs and/or quail training:

In accordance with Section 49-7-42 of the Mississippi Code, attached is a certified check, money order or draft in the amount of Three Dollars (\$3.00).

I certify that the above answers are correct and agree, if a permit is issued to me, to comply with all the provisions of the MS Dept of Wildlife, Fisheries and Parks law and regulations pertaining thereto.
