

Instructions for Junior Tryout Information Registration & Waiver Form

The Junior Tryout Information Registration & Waiver Form includes the Waiver and Release of Liability which protects the Gateway Region, clubs and individuals in the event of an injury during the tryout. This form contains vital information that is required by the USA Volleyball National Office and is designed to help players and parents make informed decisions when choosing a team.

- ❖ Make two-sided copies of this form.
- ❖ All players who tryout must submit a signed copy of the *Junior Tryout Information Registration & Waiver Form* to club administrators prior to trying out.
- ❖ Players under 18 years of age must have the tryout form signed by their parent or guardian. Players under 18 cannot tryout without parental signature.
- ❖ Encourage parents and/or players to complete the questionnaire, email the information or mail the form to the Junior Development Coordinator. (Contact information is listed on the form).
- ❖ If there is an injury, submit the Waiver and Release portion of the form to the Gateway Office. For insurance purposes, please retain the remaining *Tryout Information Registration & Waiver Forms* in case they would be needed later for a claim as the result of an injury.

Notes:

The FAQ sheet included on the Gateway website or in the attachments must be available for participants and parents at your tryout.

The club information sheet containing your club's history, philosophy, etc., must also be available at your tryout.
