# RIDING FOR THE RANCH

INAUGURAL TRAIL RIDE

🌿 OCTOBER 20, 2012 🌿

Benefitting the Boys  
of the Rodeheaver  
Boys' Ranch

*“It is better to build boys than mend men.”*

-Homer Rodeheaver

**A Dream**

The Ranch fulfilled a lifelong dream of Homer Rodeheaver. In 1950, he donated 790 acres of land and established the Boys' Ranch. Located on the banks of historic St Johns River, just 12 miles south of Palatka. The setting is ideally suited for the training and development of growing boys. Homer Rodeheaver died in 1955. His dream continues to flourish through the accomplishments of the boys who grow into better men because of his foresight.

**A Chance**

Rodeheaver Boys Ranch provides a wholesome home environment with religious, educational and vocational training for at-risk boys. These boys have no home of their own because of parental death, desertion, divorce, disability or dysfunction. Rodeheaver Boys Ranch provides these deserving young men a second chance in life and an opportunity to build a strong foundation for the future. Rodeheaver Boys Ranch has been carrying out this mission since 1950.
