

North Carolina PTA Corporate Sponsorship Program

NCPTA is North Carolina's oldest and largest volunteer organization advocating for the education, health, safety, and success of all children and youth while building strong families and communities. NCPTA's general mission of advocating for and providing services to families and children across North Carolina is fulfilled through family outreach programs; local unit and council trainings; trainings on academic expectations and standards in North Carolina; guidance to local units on bylaws and policies; health and nutrition programs; outreach and resources for families of children with special needs; trainings that bring together families and teachers; and website resources on family involvement and child advocacy.

The goal of sponsorship is to provide mutual benefit to both NCPTA and the sponsoring partner. Corporate sponsorship serves to raise awareness of the leadership and advocacy that NCPTA provides to our local communities and across the state. In addition to the financial commitment a corporate sponsor makes, we strongly encourage your employees to become active participants and leaders in their representative communities at the school level, council level and state level. NCPTA encourages parent and corporate involvement in the public schools. NCPTA is committed to building strong communities, strong community leaders and advocating for all children.
