Advance Deposit for Applicants from Specific Countries

South Seattle requires an advance deposit of \$4,500.00 USD to ensure that applicants with sponsors from the following countries are financially prepared to study in the United States, and that applicants intend to enroll as international students: Congo, Gambia, Kenya, Mali, Mauritania, Niger, Nigeria, Senegal, Somalia, Tanzania

Acceptance materials (including an I-20 form) will not be issued until the deposit is received. Exception: Students who are sponsored by a United States citizen or resident will not be required to make this deposit.

Deferment & Refunds

If a student who has paid the deposit is unable to obtain an F-1 student visa, s/he will be eligible to defer to a later quarter. Deferment can only occur twice. If the student is still unable to obtain an F-1 visa, the original I-20 form, as well as the original letter from the United States Embassy showing proof of the visa denial, must be mailed directly to South Seattle in order to get a refund of the deposit. The student will then be refunded the deposit, minus any applicable bank charges. The application and processing fee (\$50 USD) is not refundable.

We look forward to welcoming you to South Seattle soon!
