- 3. The following items will not be accepted at this sale:**
 - Carseats or boosters manufactured more than 3 years ago.
 - Clothing in newborn or 0-3 size
 - Summer clothing
- 4. Sort all clothing by size and gender. Group sizes and gender together. (We suggest use chenille stems or twist ties for grouping). This will keep everything moving quickly.**
- 5. Bring your items to the Orkin House on the Zaban Park campus of the MJCCA, 5342 Tilly Mill Road, Duwoody, GA 30338 during the posted times:**
 - Sunday, August 15: 9am-12pm

- 8. We kindly ask that you do not browse/shop while you are placing your clothing. Preview sale is Wednesday, August 18, 4-7 pm**

How to Tag:

- 1. Create a seller's id by combining the last four digits of your phone number with two letters at the end. (example: 4171CS)**
- 2. Print or write your tags on card stock, use blank business cards or half of an index card. You can use the template provide, and print on cardstock or heavy paper. Make sure the seller's identification number and price are located below the safety pin. This will enable us to expedite the line (we expect big crowds!) and ensure that you**

are given credit for your sale. ****Please use the photo at the bottom of the page for an example.**

3. Circle the price if you DO NOT want your items sold at 1/2 price on Sunday. **Prices not circled will be sold at half off (50% off) on Sunday. If using the template, write ND if you do not want it discounted.**
4. Shoes must be in ziplock plastic bags with the tag taped to the outside of bag. Shoes must not be in shoe boxes. We don't have space and customers remove them from the boxes. When pricing, remember this is a tough economy and people are looking for a bargain. Many people pay in cash, so keep your price low and increments of \$.50.
5. All clothing must be clean, in good condition, and pinned with SAFETY PINS to a wire hanger. Multiple piece ensembles should be pinned to one hanger. Do not use straight pins as they create a danger, can ruin clothes, and are not secure. The end of the hanger hook must be facing left. Please look to the tag example.
6. Do not use infant weight in pounds or S, M, or L for sizes.

7. Hang each garment with the hanger facing left. Hangers must be 100% metal (except plastic coating is allowed). **No plastic hangers, No hangers with cardboard, No pant hangers.**
8. Tag items according to the diagram below. Pin 2-piece or multi piece ensembles together and to the hanger to ensure that pieces do not get lost. Tags must be in the upper right hand corner of the garment. See photo below.
9. We do not recommend clear tape for puzzles and toys as it can tear during removal. Use masking tape and tape all four sides of the tag to the toy, puzzle, stroller, decorative item, etc.
10. Hang pants with safety pins so they hang fully viewed as if you're wearing them. Do not fold them over a hanger. Pin shorts, pants, and skirts to the top, angled portion of the hanger. Make sure the garments don't "slide" on the hanger. See the photos below.
